

SMALL BUSINESS WORKSHOP

Thursday, 18th January 2024 6:00 PM-8:00 PM

In this workshop, participants will learn how to do business with government entities at all levels—federal, state, and local. Our experts will guide you through the procurement process, help you understand certifications, and share practical strategies to position your business for success. Don't miss this opportunity to gain valuable insights for navigating the complexities of government contracting.
