UPDATE ON SKI CLUB

Councilman Malone read a statement into the record regarding the Ski Club. The full statement is attached to these Minutes.

PUBLIC COMMENT – MAXIMUM OF FOUR (4) MINUTES PER SPEAKER

Carmine Core:

Carmine shared that he is an 8th grade student at Ridgedale Middle School and asked the Mayor and Council to not cancel Ski Club.

Kim Marcarella:

Asked the Mayor and Council to reconsider the decision to cancel Ski Club. She said she did not know all of the details surrounding the decision. Discussion ensued between Ms. Marcarella and Councilman Malone.

Recreation Director Tammy Verderber provided an explanation regarding the decision to cancel Ski Club and Councilman Malone reiterated the reasons.

Stephanie Smith:

Ms. Smith informed that the Florham Park Board of Education said that Ski Club is a Recreation program. Discussion ensued on the same and Council President Cicarelli and Councilman Malone spoke pertaining to the Board of Education.

Craig Core:

Mr. Core expressed concerns and requested that the situation with Ski Club be figured out. Says he also spoke with the Board of Education.

Councilman Malone stated again that Ms. Verderber has been working on a solution since September.

Tammy Verderber said she sent an email to the Board of Education and had a meeting with them. The Board of Education did not want to move forward with the program as teachers no longer want to chaperone.

Jeff Cohen:

Mr. Cohen said he has been a resident or over 30 years and described ongoing issues with a fraternity house of Fairleigh Dickinson University students located on Edgewood. He shared that for the past three (3) years there have been ongoing disruptions, parties, music, etc. There has been overnight street parking, trash in the streets, and phone calls to the Police department.

Mr. Winters asked for clarification on Resolution #25-235, Resolution #25-236, Resolution #25-237, Resolution #25-241, and Resolution #25-248.

Mr. Winters stated that the largest portion of Borough tax dollars goes to the school district and opined that the Ski Club should be their responsibility.

Andy Fiore:

Mr. Fiore raised his concerns about traffic on Lincoln Avenue. He stated he looked at data and traffic studies from the Police department and stated over 6,000 cars were observed going over 50 mph but there were only 10 traffic stops. He spoke about traffic enforcement on Route 24 last year.

Police Chief Joseph Orlando:

Chief Orlando advised that the numbers provided by Mr. Fiore are inaccurate and said the Police Department will provide a report at a future Council meeting.

Police Captain Karl Svenningsen:

Mr. Svenningsen said the Police Department has been proactive about the situation on Edgewood. He stated that summonses should be issued and Title 39 enforced.

For decades, Ridgedale Middle School offered an extracurricular 'ski club' for middle school students with weekly trips leaving after school that were chaperoned by teachers. More recently, the Borough and the Recreation Department, specifically, came to the aid of the 'RMS Ski Club' years ago when it faced challenges with administration and processing of payments. Effectively and as part of a great working relationship between the two entities, the RMS Ski Club evolved into a 'joint venture' program between the Borough and the Board of Education with involvement from the Recreation Director, a lead teacher at RMS who was appointed by the Borough as the 'Program Lead', some RMS staff as volunteers, parent volunteer chaperones and middle school students who were skiing. The past two years the RMS teacher was a Borough-appointed 'Program Lead' and received a stipend from the registration fees. Years ago, parent volunteers skied themselves and assisted on the slopes should they spot anyone.

On October 20th, the Florham Park Recreation Department announced the sale of discounted lift tickets for the upcoming ski season as a solution to current concerns with last season's ski club.

Our Rec Director was fully prepared to move ahead with the 2026 Ski Program, as planned, as far back as September. At that time, RMS advised our Rec Director of some limitations on the program which included:

- potential personal liability / career concerns / workers comp liability for teachers as chaperones,
- problems with logistics of busses departing Ridgedale Middle School,
- inability to store of ski equipment at Ridgedale Middle School during the day of each trip,

Additionally, as we began to understand the broader 'joint venture' ski program that had evolved and what was happening on some ski trips, other concerns were also highlighted:

- a question of where disciplinary action stems from – the Borough or Ridgedale Middle School – should it be needed for student skiers?
- adult chaperones allegedly drinking in the ski lodge while chaperoning trips.

Following a meeting that I requested with a Board of Education member, some of these logistical concerns magically started to disappear which was great news. However, there are a few unresolved items as you can imagine.

In the interest of safety on any potential bus trip, the path forward for this season continues to be offering discounted lift tickets through the Rec Dept., while a more comprehensive review of restoring the bus trips can be evaluated and possibly returned next season.

This decision to evolve the ski program into offering discounted lift tickets was not made lightly. It was done after conversations with Ridgedale Middle School administration & staff and in consultation with the Florham Park Recreation Committee. The Mayor and Council were also advised of the ski program's change for the upcoming season prior to the communication being issued. Offering discounted lift tickets was viewed as the only possible path forward for the upcoming ski season in order to allow students some possible ski time while this list of concerns could be properly addressed and the future direction of our 'joint venture' ski program determined.

Maybe the Ski Club returns to being a full RMS extracurricular activity again under the administration of the Board of Education, if payment processing and administration of the program can be resolved? If RMS and administration want to further remove themselves from the Ski Trips, maybe the Borough works with responsible parent volunteers to establish a Charter Ski Club of the Borough – similar to FP Baseball, Football or Soccer.

While some have taken to trying to blame the Recreation Dept., the Rec Director, the Rec Committee, the Mayor & Council for 'squashing' the Ski Club, I would like to thank everyone involved for giving this proper time and attention in the interest of offering trips that are safe, well-thought out, and come with proper, responsible governance in the interest of our youth. The RMS Ski Club is a terrific benefit to have living in Florham Park, one-hour away from ski slopes. As we all know, skiing is also an individual sport that is spread across acres of mountains and inherently prone to injury. We look forward to the future direction of the Ski Program in the best interests of all involved.
