Meeting Minutes
December 8, 2025

The meeting took place virtually.

In attendance: ** I apologize, as I did not note the roster for this meeting. **Please advise** whether you attended and I will update and redistribute these minutes.

Meeting discussion in bullet points:

- Jim Illustrated the wildly uneven platform in the smaller S. Fisher Park this Fall, and we need to keep tabs on remedying this nightmare!
- Angela Sophomore social media intern is doing good things, and Angela provides content ideas.
- Chant Ideas to increase Wafa participation. Including: With Mayor's assistance, Open house to recruit new membership at library, etc. Boro weekly e blast: Include Wafa info and suggested that our intern ay be able to provide content to Boro Hall. On that note, I did ask Mary Mulvany about joining our ranks again, but she respectfully declined.
- Jim Work still needed for crosswalk push-buttons: @ Forum School & Hopper, etc. Carry-over from prior meeting: Limited parking at Emmet Park.

Snow removal program...no longer up and running. We discussed that this may be a good project for Wafa to manage and to re-instate. We would need to vet consumers, local volunteers & manage schedules.

Many of the above items require follow ups with our new Borough Administrator, Tatiana Marquis. I met Tatiana out and about and she assures me that our e-mails have not been overlooked and that she will address in the New Year. **We have lots of ideas that need to be followed up.** I think a meeting with Tatiana should be planned and completed before our next meeting.

2026 meeting schedule: We did plan them during the meeting. However, I spoke with MB after our meeting and we agreed that we will finalize our schedule in early January, after the BOE re-org meeting so that she will not have many conflicts. I'll send follow up email with the confirmed dates and time this month.
