NOTICE
TOWN OF EAST HADDAM
RESILIENT EAST HADDAM PUBLIC WORKSHOP
MUNICIPAL OFFICE COMPLEX
MEETING ROOMS 1 & 2
6:30 PM
WEDNESDAY, FEBRUARY 5, 2025

A collaborative project between the Town of East Haddam and the State of Connecticut for remediating the flooding of Succor Brook in the Village will reach an important point with the second of two public workshops. The second workshop will be held on Tuesday, February 5th, 6:30-8:30 pm at the East Haddam Municipal Office Complex.

Representatives from the Town of East Haddam, the Connecticut Institute for Resilience and Climate Adaptation (CIRCA), and Kleinfelder Engineering Inc., will participate in an interactive workshop with town residents to discuss the Resilient East Haddam project. This interactive session will include a presentation and opportunity to discuss specific adaptation alternatives to mitigate climate risks in the project area.

All residents of the Town of East Haddam are welcome. For more information contact the Selectman's Office at (860) 873-5021. Written comments can also be sent to the First Selectman at admin@easthaddam.org
