A World Without Dark Skies:
How Light Pollution is Impacting Humans and Ecosystems

Tuesday, July 30, 2024 at 7:00pm
at the East Haddam Historical Society, 264 Town Street

The East Haddam Sustainability Team partnered with the East Haddam Historical Society & Museum to bring this presentation to East Haddam.

Learn about light pollution in the Connecticut River Valley and the effects of an artificially brightened night sky, including the impact on natural cycles in aquatic and terrestrial life.

Join Misha Semenov-Leiva and Alan Sheiness for a fascinating presentation in partnership with the East Haddam Sustainability Team!

Free for East Haddam Historical Society members and children 12 and under; suggested donation of $5.00 for non-members.
