The Cemetery Committee Ordinance was passed in October 2021 which charges the committee with various duties in regard to our cemeteries, such as developing policies and by-laws to include rules and regulations for all cemeteries, identifying and pursuing grant opportunities and working with the land use commissions of the Town and the Board of Selectmen to identify and secure property on which to locate future burial grounds. Management of Memorandum of Understandings or contracts for the care and upkeep of Town-owned cemeteries shall also be the responsibility of the Committee.

The Cemetery Committee requested in the budget that a capital savings plan be created for their expenditures to carry out their duties.
