WHEREAS, there was and continues to be an outbreak of COVID-19, a respiratory virus caused by a new strain of coronavirus, which was declared a Public Health Emergency of International Concern by the World Health Organization, and on March 13, 2020, the President of the United States declared a national emergency;

WHEREAS, on March 10, 2020, Governor Ned Lamont (the "Governor") declared a state of emergency throughout the State of Connecticut as a result of the COVID-19 outbreak, and on March 18, 2020, the Town of East Haddam (the "Town") declared a local state of emergency allowing the First Selectman to exercise emergency powers as needed to help the community;

WHEREAS, on April 1, 2020, the Governor issued Executive Order No. 7S (the "Order") which allows the Board of Selectmen and the Board of Finance, by majority vote of each such body, to authorize and approve special appropriations and the issuance of general obligation bonds without complying with any requirements for in-person approval by electors or taxpayers, such as the Town Meeting;

WHEREAS, the Order further provides that, if a municipality is taking action pursuant to the Order, the municipality shall make a specific finding that such action is necessary to permit the orderly operation of the municipality and that there is a need to act immediately and during the duration of the public health and civil preparedness emergency in order to (1) avoid endangering public health and welfare, (2) prevent significant financial loss or (3) that such action is otherwise necessary to protect persons and property within the municipality;

WHEREAS, the Town desires to approve a resolution authorizing an appropriation and bond authorization in the amount of $141,230 for improvements to the East Haddam Elementary School (the "School Project Resolution") in accordance with the Order;

WHEREAS, the failure to adopt the School Project Resolution at this time shall cause a delay in the implementation of critical upgrades to the elementary school building resulting in (i)

a further deterioration in the condition and operation of the building, (ii) escalating building operational and maintenance costs and (iii) higher future project costs; and

WHEREAS, the Town desires to approve the School Project Resolution in accordance with the Order and without holding a Town Meeting.

NOW THEREFORE BE IT RESOLVED, that the Board of Selectmen (the "Board") of the Town finds that approval of the School Project Resolution is necessary to permit the orderly operation of the Town, and that there is a need to act immediately and during the duration of the public health and civil preparedness emergency in order to avoid endangering public health and welfare, prevent significant financial loss, or that such action is otherwise necessary for the protection of persons and property within the Town, as specifically cited in the foregoing WHEREAS clauses.
