**Roll Call:** Chairman Marty Sandshaw, Vice-Chairman Gerald Wunsch, Commissioner Mark Redman, Commissioner Daniel Wollenberg, Commissioner Keith Golnik, Commissioner Michael Audette and Commissioner Victor Mitchell. Also, in attendance were: Fire Chief Mark Sekorski, Deputy Chief Greg Cody, Fire Marshal Raymond Kovaleski, Deputy Fire Marshal Charles Doback and Councilman Liaison Tony Roveto.

**Pledge of Allegiance:**

Chairman Marty Sandshaw led the group in the Pledge of Allegiance.

**Approval of Minutes dated July 10, 2025:**

*A motion was made by Commissioner Keith Golnik, seconded by Commissioner Victor Mitchell to approve the July 10, 2025, minutes. This motion was approved unanimously.*

**Commissioners' Reports**

**Chief's Report: See attached**

- Had a meeting with: Chairman Sandshaw, Fire Marshal Kovaleski, Deputy Fire Marshal Doback, Police Chief Krasicky and the Mayor re: problems at Lake Plymouth July 4<sup>th</sup>. There will be no parking on both sides of Lake Plymouth. The illuminating sign will display "parking on one side". Two cops will be hired to patrol that area and enforce parking.
- Had a very good meeting about the repeater radios for Fall Mountain.
- Waterbury Area Fire Chiefs' meeting next month.
- Litchfield County Fire Chiefs will be in Gaylordsville.
- 345 calls to date
- The injured firefighter is not back at work yet.
- Had a meeting with Norcom, Deputy Chief Masi and Assistant Chief Cody.
- Car 2 - needs transmission – only put 3900 miles since he got it. Not his fault.
- Engine 2 needs a head gasket.

**Treasurer's Report:** The Commission reviewed the ledger.

**Fire Marshal's Report:** Fire Marshal Raymond Kovaleski went over his Monthly Report, Monthly Budget Expenses and List of Incidents in detail for the month of July.

Fire Marshal Kovaleski went over the Monthly Participation Fire report received from the State. Terryville is in compliance for reporting. See attached.

**Communications:**

**Radio Report:** Deputy Chief Greg Cody reported money was received for the simulcast system. There will be a radio study meeting on Monday. What to improve and what we need will be discussed.

**Buildings and Grounds Report:** Chief Sekorski reported the meeting room at headquarters is being painted. The bays at Fall Mountain are being painted. Assistant Chief Masi will be asking for money in capitol next year for exterior upgrades.

**Equipment Report:** Nothing to report.

**Training Report:** Ongoing

**Trucks Report:** Deputy Chief Greg Cody reported that CAR 2's transmission is being fixed Monday. Engine 2 was leaking oil and they found out the head gasket was leaking. It is being sent out to get fixed. Engine 2 is a 2015 with 12,000 miles and 1400 hours.

**Old Business:**

Chairman Sandshaw reported that the Board of Finance allocated an additional \$40,000 for the repeaters. This amount was in addition to the \$60,000 they allocated previously. Simulcast will not make the system perfect but will bring it back prior to the lighting strike.

Chairman Sandshaw reported that he met with the Fire Marshal, Deputy Fire Marshal, Fire Chief, Police Chief and Mayor about July 4<sup>th</sup> at Lake Plymouth. A very good plan was discussed. The Fire and Police departments will submit a request to the Police Commission for No Parking Signs.

**New Business:**

Chairman Sandshaw reported he met with the Mayor, Fire Marshal and Deputy Fire Marshal regarding buying a new vehicle. The Mayor asked for a proposal and would like a letter requesting an emergency appropriation to purchase a new truck.

The Fire Marshal went over the proposal from Loehmann Blasius. See attached.

*A motion was made by Commissioner Keith Golnik, seconded by Commissioner Victor Mitchell to ask the town council for a one time appropriation not to exceed \$49,999.99 for the purchase of the Fire Marshal's vehicle. This motion was approved unanimously.*

Chairman Sandshaw was notified from Carl Johnson, Director of Public that the equipment from Norcom is on back order. Will be about 10-15 weeks. Carl Johnson will be the point of contact.

**Public Comment:**

Deputy Fire Marshal Charlie Doback thanked the Commission for making the appropriation. Deputy Fire Marshal Doback stated it is very important as there was a slowness in acquiring the vehicle. Last night, at the Police Commission meeting, they made a motion to appropriate funds for two new police vehicles. He finds it disheartening that the Fire Marshal's and Building Official's vehicles are out of service. They can't do their job without a vehicle.

**Adjournment:**

*There being no further business of the Fire Commission, a motion was made by Vice-Chairman Gerard Wunsch, seconded by Commissioner Keith Golnik to adjourn. This motion was approved unanimously. The meeting ended at 7:45 p.m.*

Respectfully submitted,
