

Bethel Township Zoning Hearing Board report for September 2019.

The Board had one item on the Agenda in September a variance request (2019-12) for a 288 sf shed in lieu of the allowable 200 sf at 3676 Garnet Mine Road. The location of the shed met all setbacks and this request was granted.

At this time there is nothing on the agenda for October.

Respectfully Submitted,

Garry A. Lanahan
