

# Pollinator Workshop

# Planting Black-Eyed Susans

Join the Bethel Bird & Bee Committee to welcome local nature lover Bernie Miller for a free hands on seminar to learn about native plants and how they benefit pollinators in our community. During the workshop, Bernie will share best planting methods. You will get your hands a little dirty and take home Black-Eyed Susans for your own Bethel pollinator garden! Max 25 guests, so please sign up by emailing [code.secretary@betheltwp.com](mailto:code.secretary@betheltwp.com) or call 610-459-5140 by June 10th.

**June 15th at 11am**

**John L. Myers Bethel Township Building**

1082 Bethel Road,  
Garnet Valley, PA 19060
