Giovanna Iacono, P.E., MBA, Supervisor Michael D'Agostino, Esq., Supervisor Michael Davey, Esq., Supervisor- Zoom

William Addison, Township Manager

Peter Barsz, Treasurer

Michael Maddren, Esq., Solicitor

Matthew Houtmann, P.E., Engineer ABSENT:

Ed Plasha, Tax Collector

OBSERVERS: Approximately 21 citizens were in attendance.

The Preliminary Budget November 10th, 2025, Board of Supervisors meeting convened at 6:31 PM at the John Myers Building.

Chairman Dennie welcomed residents and called the meeting to order at 6:31 PM. The Pledge of Allegiance was recited. Chairman Dennie requested everyone to please silence all electronic equipment and announced the presence of a recording device for the purpose of minute-taking. The recording will be deleted once the minutes are approved at the following meeting. Chairman Dennie mentioned that the Township is livestreaming this meeting on its official YouTube channel. Chairman Dennie also stated that the notice of advertisement is on the dais for review.

Chairman Dennie presented the proposed 2026 Bethel Township Preliminary Budget.

He stated that in 2026 there will not be a tax increase, nor will new taxes be introduced.

GENERAL FUND:

The proposed 2026 annual General Fund budgeted revenue is \$2,403,440.00. The proposed 2026 annual General Fund budgeted expenditure is \$3,576,825.35.

The fiscal year 2026 annual General Fund projected revenue versus the fiscal year 2025 annual budgeted revenue shows a decrease of 8.48%. The fiscal year 2026 annual General Fund projected expenses versus the fiscal year 2025 annual budgeted expenses show a decrease of 6.27%.

Chairman Dennie reported that the Township has operated at a deficit since 2021. He stated that the projected \$1 million deficit for 2026 is primarily due to increased Insurance costs, higher Police and Township payroll expenses and resources in specific areas, equipment needs for the Highway Department, Code inspection costs, and construction work at Shaffer Preserve.

The highest percentage of revenues are derived from real estate taxes.

Public Safety makes up a little less than half of the total expenditure, and General Government expenditures make up about one-third of total expenditures.

Chairman Dennie gave a brief explanation on the cost proposed for Shaffer Preserve. This will be discussed in more depth during the meeting with Chester Valley Engineers on Thursday, November 20th.

LIQUID FUELS FUND:

The annual Liquid Fuels Fund budgeted revenue is proposed at \$325,054.40. The annual Liquid Fuels Fund budgeted expenses are proposed at \$341,000.00.

The fiscal year 2026 Liquid Fuels Fund budgeted revenue versus the fiscal year 2025 annual budgeted revenue shows a decrease of 0.6 %. The fiscal year 2026 Liquid Fuels Fund projected expenses versus the fiscal year 2025 annual budgeted expenses show an increase of 9.4%.

The major 2026 capital expenditures in the Liquid Fuels Fund will be for road construction (\$200,000.00), front-end loader (60,000.00), Storm sewer maintenance (20,000.00), and traffic signal maintenance (\$15,000.00).

Revenue for the Liquid Fuels Fund comes from the state.

The highest percentage of expenditures for the Liquid Fuels Fund is for road construction projects, followed by traffic control devices and winter maintenance.

TRASH FUND:

The annual Trash Fund budgeted revenue is proposed at \$1,267,040.00. The annual Trash Fund budgeted expenses are proposed at \$1,271,386.40.

The fiscal year 2026 Trash Fund projected revenue versus the fiscal year 2025 annual budgeted revenue shows an increase of 0.4%. The fiscal year 2026 Trash Fund projected expenses versus the fiscal year 2025 annual budgeted expenses show an increase of 3.9%.

Supervisor Dennie explained that the cost of trash and recycling collection increases annually, but the township's finance department and tax collector structured the five-year contract to evenly distribute those increases. As a result, residents' trash fees remain consistent throughout the contract term.

Revenue for the Trash Fund comes from solid waste and recycling fee income. Expenses for the Trash Fund are solid waste collection and disposal.

EMS:

The annual EMS Fund budgeted revenue is proposed at \$517,000.00. The annual EMS Fund budgeted expenses are proposed at \$493,320.00.

The fiscal year 2026 EMS Fund projected revenue versus the fiscal year 2025 annual budgeted revenue shows a decrease of 38.5%. The fiscal year 2026 EMS Fund projected expenses versus the fiscal year 2025 annual budgeted expenses show no change.

FIRE DEPARTMENT:

The annual Fire Fund budgeted revenue is proposed at \$127,300.00. The annual Fire Fund budgeted expenses are proposed at \$63,298.99.

The fiscal year 2026 Fire Fund projected revenue versus the fiscal year 2025 annual budgeted revenue shows an increase of 0.4%. The fiscal year 2026 Fire Fund projected expenses versus the fiscal year 2025 annual budgeted expenses show no change. Chairman Dennie stated that the fire fund helps purchase the fire apparatus, which are the vehicles they utilize.

LIBRARY FUND:

The annual Library Fund budgeted revenue is proposed at \$36,150.00. The annual Library Fund budgeted expenses are proposed at \$36,000.00.

The fiscal year 2026 Library Fund projected revenue versus the fiscal year 2025 annual budgeted revenue shows a decrease of 0.5%. The fiscal year 2026 Library Fund

projected expenses versus the fiscal year 2025 annual budgeted expenses show no change.

BOARD COMMENTS:

Chairman Dennie stated that in 2025 the Board of Supervisors collectively decided to forgo their \$2,500 salary. With new board members coming in, he does not feel it is appropriate to deny them pay.

Line Item 405.130 – Payroll for Administrative Assistant

Supervisor Davey asked about the increase in salary and whether it contributed to the rise in health insurance expenses.

Chairman Dennie explained that the increase reflects plans to hire an additional full-time administrative assistant. This is one contributing factor, along with raises for full-time staff. These changes also increase medical expenses.

Line Items 409.400 and 409.720 – Shaffer Project

Supervisor Davey noted that the presentation indicated a \$130,000 capital contribution for Shaffer, while line item 409.400 shows a carry-over balance that is not anticipated to be spent.

Chairman Dennie stated that the Township plans to spend \$200,000 in total with combined capital contribution and previous ARP funding. The \$72,000 listed is ARP funding being carried over. He acknowledged that Shaffer is a sensitive topic and said the goal was to separate tax dollars from ARP funds for clarity.

Supervisor Davey stated that this uses twice as much taxpayer money as ARP funding, and there is only one source of tax dollars—local residents.

Line Item 410.113 – Payroll for Corporal and Sergeant

Supervisor Davey questioned the \$60,000 increase, noting that the Township struggles with staff shifts and should not be increasing payroll.

Chairman Dennie stated that there was a \$1.50 hourly increase but said he would review the Excel table to confirm where the larger increase came from.

Supervisor lacono stated that in the Excel table, line 141.954 shows \$190,000, but she was unsure how the budget arrived at that number. She noted that Corporals and the Sergeant are grouped together in the budget.

Chairman Dennie asked if the budget lists the number of Corporals and Sergeants included.

Vice-Chair DerOhannessian confirmed the budget includes 3 Corporals and 1 Sergeant.

Supervisor Davey stated he was unaware there were 3 Corporals.

Supervisor lacono explained that two new Corporals were recently sworn in.

Line Item 410.130 – Payroll for Shift Officers

Supervisor Davey noted a \$50,000 increase and stated that last year the Township increased hourly rates in hopes of attracting more officers, but staffing has not improved. He stated, "Something is disconnected here."

Supervisor lacono asked whether he suggested aligning the budget more closely with what has occurred over the past two years.

Supervisor Davey stated that \$140,000 is more realistic than \$190,000. He also stated that a part-time department with limited street coverage should not have 3 Corporals.

Township Treasurer Peter Barz explained that conservative budgeting requires using the higher number. If the Township intends to hire, budgeting for the costliest scenario is appropriate; if positions remain vacant, the Township benefits from a positive variance.

Chairman Dennie stated that he wants the Township to begin the year with full funding for police staffing but acknowledged that leftover funds are sometimes repurposed for unrelated expenditures.

Supervisor Davey stated that once money is in the budget, it is easier to reallocate it later, resulting in the funds being spent regardless.

Line Items 410.600 and 410.710 - Police Equipment and Repairs

Supervisor Davey asked for clarification about the police department's new equipment allocations:

- \$40.000 in 2026
- \$57,500 total

He asked what these amounts include, the annual cost of Plate Logic, whether new cameras are being purchased, and why \$8,000 is budgeted for police department repairs.

Chairman Dennie explained that Plate Logic includes both initial camera costs and an annual subscription. He also noted that the police station requires new carpet and paint, as the current materials are original.

Supervisor lacono added that the major cost last year was the purchase of new radios (\$27,000). No new radios are needed this coming year. The focus is on general office upgrades.

Line Item 430.100 – Highway Foreman Payroll

Supervisor Davey questioned the \$34,000 increase and asked whether anyone was receiving a raise of that size. He said this is not a new position—the Township has budgeted for it for years.

Supervisor Davey asked whether the Foreman's salary was rolled into the previously budgeted \$146,000 to reach \$211,000, and whether an additional \$85,000 was added to hire a new employee.

Chairman Dennie clarified that the Township intends to hire an additional public works employee. The current Foreman's compensation was combined into the existing road crew line item to avoid creating a new line item. This was done in consultation with accounting.

Front Loader Purchase

Supervisor Davey requested information about the highway department's planned purchase of a front loader.

Roadmaster Brett Small stated that the existing loader is over 20 years old, with several thousand hours of use and needs significant overhaul. The department deferred the purchase of a dump truck due to cost and instead prioritized replacing the loader, which is beyond economical repair. Purchasing a newer loader is more cost-effective than continued maintenance.

Line Item 454.02 - Park Development

Supervisor Davey questioned the \$25,000 allocation, noting it is higher than previous years.

Chairman Dennie stated that this amount aligns with typical annual expenses, including work on the pond

Supervisor lacono added allocations for the Jack King bridge replacement and tree removal.

Supervisor Davey asked why these expenses are not being paid from the maintenance fund.

Supervisor lacono stated that park costs have historically been drawn from both funds.

Code Department Revenue

Supervisor Davey stated that if expenses increase in the code department, the fee schedule should be updated to increase revenues.

Supervisor lacono stated that she updates the fee schedule annually and has already discussed this with Marco and Donna during budget preparation.

Supervisor Salary Discussion

Supervisor D'Agostino thanked Chairman Dennie for his honesty regarding Board salaries. He stated that in prior years the Board declined their pay to contribute to deficit reduction. He argued that accepting pay now may violate the Pennsylvania Constitution, which prohibits voting on one's own pay increase. Only Supervisor DerOhannessian and incoming Supervisor Eileen Ming would be eligible; the other three would not.

Supervisor lacono stated that the Board is not increasing pay and is following prior practice.

Supervisor D'Agostino disagreed, noting that in 2025 the salary was \$0.00. A budgeted amount of \$12,500 is therefore an increase.

Township Solicitor Michael Maddren stated that under the Second-Class Township Code, pay changes take effect at the beginning of each Supervisor's term. Last year, the Board members voluntarily declined their compensation. He recommended leaving the salary line in the budget for now and taking a deeper look at the constitutional issues. Line items can still be reduced without re-advertising unless the change is significant.

Supervisor D'Agostino warned that retaining the salary creates legal risk and is unnecessary during a year with a \$1.13 million deficit. He recommended removing it immediately to avoid future legal expenses.

During his comments, a resident interrupted to ask when public comment would be allowed. Supervisor D'Agostino allowed the resident to speak and stated he would finish his comments at the end.

Shaffer Preserve Funding

Supervisor D'Agostino noted that the Township's "fee-in-lieu" account has approximately \$250,000 available for the Shaffer Preserve project. When combined with the other allocated funds for Shaffer, the total investment is roughly \$500,000, regardless of which accounts the money is drawn from.

Chairman Dennie agreed but emphasized that the funds can be used for all Bethel Township parks. He said the Shaffer project is not just a passion project for Supervisor lacono; he also strongly supports it and wants to provide additional recreational opportunities for residents.

Community Comment:

Harry Smedley, 1153 Naamans Creek Road, expressed concerns about the budget, the deficit, the lack of a tax increase for 2026, and when the deficit began. He asked whether every resident would have access to the tax presentation. Mr. Smedley also stated that he deserves to know how many Township-owned vehicles use diesel fuel. He said that Bethel has had very minimal crime during his time living here, and questioned why police salaries are increasing, calling the increases excessive. He also expressed concerns regarding Shaffer Preserve and EMS services. Mr. Smedley asked whether the Township could hire a part-time administrative employee instead of a full-time employee.

Dianne Smith, 1602 Wendy Way, expressed concerns about the budget and deficit, and explained her understanding of the increase in EMS costs. She questioned the need for new employees, disagreed with shifting money among line items when funds are needed elsewhere, and stated that the Township must be more careful with the budget.

She asked why the budget packet cannot remain online permanently and whether the budget presentation will be available online for residents. Mrs. Smith also expressed concerns about Shaffer Preserve and said she would like it to remain a natural space. She requested more transparency from the Board.

Dave Tustin, 1159 Naamans Creek Road, expressed concerns about the budget, the deficit, and the Shaffer Preserve project. He stated that the Township should challenge each department to determine whether it can operate at a lower cost. He said that a tax increase is coming for residents and suggested that the Township develop a five-year financial plan. Mr. Tustin also stated that EMS should pay rent to the Township for use of the building.

Donna Vance, 1612 Wendy Way, asked whether the minutes are considered the legal record. She requested that a supervisor meet with her to explain the calculations for Shaffer Preserve, stating that the figures reported during meetings do not match those her controller calculated from previous minutes. Mrs. Vance stated that she runs a \$20 million company and is familiar with financial operations. She requested full transparency from the Board, particularly regarding Shaffer Preserve.

Scott Ristine, 3016 Foulk Road, stated that the budget is unsustainable and that tax increases are inevitable. He asked the Board to review the budget and reduce expenditure, noting that residents are already struggling financially.

Deb Chmielowski, 2043 Foulk Road, asked why so much money is being spent on the Shaffer property and whether the Township will ever offer a discount for senior residents.

Cheryl Tustin, 1159 Naamans Creek Road, stated that the Township should not spend money it does not have. She said the Shaffer Preserve project should be delayed if sufficient funds are not available and emphasized the importance of staying within the Township's financial means.

ADVERTISMENT OF PRELIMINARY BUDGET:

If the Board of Supervisors authorizes the advertisement of the preliminary budget tonight, it will be available for public review tomorrow, November 11, 2025, both in the Township office and on the website.

If the Board of Supervisors does not authorize advertisement of the preliminary budget tonight, the budget must be revised at another board meeting scheduled in November to approve the budget and make the revised budget available for public inspection.

Adoption of the final 2026 Budget is anticipated to occur at the Board of Supervisors' regular meeting on Tuesday, December 9th, 2025.

Motion: On a motion by Chairman Dennie, seconded by Vice-Chair DerOhannessian, Supervisor Davey and Supervisor D'Agostino opposed, the board approved the advertisement of the 2026 Preliminary Budget on a 3-2 vote.

Supervisor D'Agostino stated that he wants to make it clear he is opposed because he believes the pay increase violates the Pennsylvania Constitution, and because the Board is committing over \$450,000 of taxpayer money to the park.

Motion to renew the Municipal Pollution Liability Policy with Arthur J. Gallagher Risk Management Services in an amount not to exceed \$1,124.00 subject to the solicitor's review.

Motion: On a motion by Chairman Dennie, seconded by Vice-Chair DerOhannessian, the board approved the renewal of the Municipal Pollution Liability Policy with Arthur J. Gallagher Risk Management Services in an amount not to exceed \$1,124.00 subject to the solicitor's review.

ADJOURNMENT:

On a motion by Chairman Dennie, seconded by Supervisor Iacono and carried unanimously, the meeting was adjourned at 8:30 PM.

The next Regular Board of Supervisors meeting will be held on Tuesday, November 18th, 2025, at 6:30 PM.

Respectfully submitted,	
Rebecca Crowley

The Regular November 18th, 2025, Board of Supervisors meeting convened at 6:30 PM.

Chairman Dennie welcomed residents and called the meeting to order at 6:30 PM. The Pledge of Allegiance was recited. Chairman Dennie requested everyone to please

silence all electronic equipment and announced the presence of a recording device for the purpose of minute-taking. The recording will be deleted once the minutes are approved at the following meeting. Chairman Dennie mentioned that the Township is livestreaming this meeting on its official YouTube channel. An executive session took place immediately prior to the meeting to discuss legal, real estate, and personnel matters.

APPROVAL OF MINUTES:

Motion to approve the minutes for the Regular Board of Supervisors' Meeting held on October 14th, 2025.

Motion: On a motion by Vice-Chair DerOhannessian, seconded by Supervisor lacono and carried unanimously, the Board approved the regular meeting minutes of October 14th, 2025.

PUBLIC HEARINGS:

Opening of a public hearing on Ordinance No. 244 establishing a Volunteer Service Tax Credit Program.

Motion: On a motion by Chairman Dennie, seconded by Supervisor Iacono and carried unanimously, the Board approved the opening of a public hearing on Ordinance No.244-Establishing a Volunteer Service Tax Credit.

<u>Closure of a public hearing on Ordinance No. 244 establishing a Volunteer Service Tax</u> Credit Program.

Motion: On a motion by Chairman Dennie, seconded by Vice-Chair DerOhannessian, carried unanimously, the Board approved the closure of a public hearing on hearing on Ordinance No. 244.

Appendix I- Volunteer Service Tax Stenographer Minutes.

REPORTS:

TREASURER REPORT:

Peter Barsz, Township Treasurer, read the October 2025 Treasurer's Report. Details by fund are included within the report, which is on record at the Township building and is available for public inspection.

Motion to approve the Treasurer's Report, pay bills and release all relevant escrows.

Motion: On a motion by Chairman Dennie, seconded by Vice-Chair DerOhannessian and carried unanimously, the Board approved the October 2025 Treasurer's Report and payment of all bills as presented.

FINANCE/AUDIT/TAXES:

<u>Tax Collector Report</u>: Chairman Dennie read the October 2025 Tax Collector's Report. A copy of the full Tax Collector's Report is available at the Township building for public inspection.

PUBLIC SAFETY:

<u>Police Department</u>: Chief McCarthy read the October 2025 Police Report. A full copy of the Police Report is available for public inspection at the Township building.

Vice-Chair DerOhannessian asked Chief McCarthy to explain the situation regarding the letters received by many township residents.

Chief McCarthy stated that the Bethel Township Police Department has turned the information regarding the letters over to the United States Postal Inspection Service for further investigation. He explained that anything placed in a mailbox must be stamped and processed by the USPS. The USPIS is conducting an investigation, and the findings will be reported back to the Bethel Township Police Department.

James McDaniel, 1415 Zebley Road, stated that his letter had been mailed and that the statement on the township website should have been signed. He added that he was glad to have received the letter.

Dave Tustin, 1159 Naamans Creek Road, commented on the letter that was placed in residents' mailboxes. He said that the Police Department should not be focused on this matter and that it seems like neighbors turning on neighbors.

Supervisor D'Agostino stated that he was unaware of the situation being discussed. He remarked that it feels as though freedom of speech in the country no longer exists. He stated that it was unacceptable for the website post to have been made without the Chair directing staff to do so. He added that no one is going to call the Police Department on a college student or landscapers for placing fliers in mailboxes.

Harry Smedley, 1153 Naamans Creek Road, asked whether the crimes the Police Department investigates occur solely in Bethel Township or if they extend into Concord Township. He also asked whether the Township receives back-pay from other municipalities for coverage. He shared his opinion regarding the letter placed in his mailbox.

Chief McCarthy responded that if the Pennsylvania State Police called Bethel for assistance, the Township would help, just as they would assist Bethel if needed help.

Erica Brignac, 1440 Naamans Creek Road, stated that regardless of the content of the envelopes, placing something in another person's mailbox is a federal crime. She noted that residents called the Police Department, and the matter is being looked into.

Leah Consiglio, 1006 Ryans Run, noted that this was the largest turnout she has seen in several months since she began attending meetings and serving as Junior Supervisor. She stated that many residents appear to place more trust in a letter left in their mailbox than in attending meetings to receive accurate information firsthand. She added that most residents were present tonight because others wanted them to be angry rather than informed about the facts.

Motion to approve the purchase of a Tactical Cop Box from Intercon Truck Equipment in an amount not to exceed \$3,274.78.

Motion: On a motion by Vice-Chair DerOhannessian, seconded by Supervisor lacono and carried unanimously, the Board approved the purchase of a Tactical Cop Box from Intercon Truck Equipment in an amount not to exceed \$3,274.78.

<u>Bethel Hose Co. #1</u>: Deputy Chief, Brett Small, read the October 2025 Fire Report. A copy of the full Fire Department Report is available at the Township building for public inspection.

Motion to adopt Ordinance No. 244 establishing a Volunteer Service Tax Credit Program.

Motion: On a motion by Supervisor D'Agostino, seconded by Supervisor Iacono and carried unanimously, the Board adopted Ordinance No. 244 establishing a Volunteer Service Tax Credit Program.

<u>Motion to adopt Resolution 2025-35 – Establishing Criteria for the Volunteer Service Tax Credit.</u>

Motion: On a motion by Supervisor D'Agostino, seconded by Supervisor Iacono and carried unanimously, the Board adopted Resolution 2025-35- Establishing Criteria for the Volunteer Service Tax Credit.

<u>Emergency Medical Services:</u> Supervisor Iacono read the October 2025 Emergency Medical Services Report. A copy of the full Emergency Medical Services Report is available at the Township building for public inspection.

<u>Emergency Management Coordinator</u>: Supervisor Iacono read the October 2025 Emergency Management Report. A copy of the full Emergency Management Report is available at the Township building for public inspection.

FACILITIES AND MAINTENANCE:

<u>Highway Department</u>: Supervisor Iacono read the October 2025 Highway Report. A copy of the full Highway Department Report is available at the Township building for public inspection.

<u>Building/Grounds</u>: Supervisor Iacono read the October 2025 Highway Report. A copy of the full Building and Grounds Report is available at the Township building for public inspection.

BOARDS:

<u>Parks and Recreation Board</u>: Chairman Dennie read the October 2025 Parks and Rec Report. A copy of the full Parks and Rec Report is available at the Township building for public inspection.

Zoning Hearing Board: Vice-Chair DerOhannessian stated that there was no meeting in October, so there was no report provided.

<u>Planning Commission</u>: Supervisor lacono read the October 2025 planning commission report. A copy of the full Planning Commission Report is available at the Township building for public inspection.

Supervisor lacono stated that at the last Planning Commission meeting, Mr. Lincoln submitted his letter of resignation, as he will be moving to another township. Supervisor lacono recognized George Lincoln for his many years of service to Bethel Township, noting that he has served for more than twenty years on both the Parks and Recreation Committee and the Planning Commission.

Motion to approve Proclamation No. 2025-05 recognizing and honoring George Lincoln for his dedicated service and contributions to Bethel Township.

Motion: On a motion by Supervisor Iacono, seconded by Supervisor D'Agostino and carried unanimously, the Board adopted Proclamation No. 2025-05 recognizing and honoring George Lincoln for his dedicated service and contributions to Bethel Township.

<u>Sewer Authority</u>: Supervisor D'Agostino read the Sewer Authority Report. A copy of the full Sewer Authority Report is available at the Township building for public inspection.

EDUCATION:

<u>Garnet Valley School District</u>: Vice-Chair DerOhannessian read the Garnet Valley School District report. A copy of the full Garnet Valley School District Report is available at the Township building for public inspection.

<u>Rachel Kohl Library</u>: Vice-Chair DerOhannessian read the Rachel Kohl Library report. A copy of the full Rachel Kohl Library Report is available at the Township building for public inspection.

Motion to release the year-end Rachel Kohl Library true-up payment of \$1,271.14.

Motion: On a motion by Vice-Chair DerOhannessian, seconded by Supervisor lacono and carried unanimously, the Board approved the release of the year-end Rachel Kohl Library true-up payment of \$1,271.14.

TOWNSHIP MANAGER'S REPORT:

A copy of the full Manager's Report is available at the Township building for public inspection.

OLD BUSINESS:

Michael Maddren, Township Solicitor, provided a summary of the Ordinance. There was a discussion on the Ordinance amongst the Board as well as comments from the public. Mr. Maddren had made some updates to the Ordinance based on public and board feedback.

Harry Smedley, 1153 Naamans Creek Road, expressed his concerns regarding the Ordinance.

Nick Trizonis, 3216 Garnet Mine Road, expressed his frustration with the burn ordinance and stated that he does not intend to follow it.

John Hutchinson, 3199 Stillwood Lane, requested clarification on the exceptions to the burn ordinance.

Motion to adopt Ordinance No. 243 regulating open burning.

Motion: On a motion by Chairman Dennie, seconded by Vice-Chair DerOhannessian and carried unanimously, the Board adopted ordinance No. 243 regulating open burning.

NEW BUSINESS:

Motion to authorize Environmental Management & Consulting to prepare a wetland delineation letter for the Shaffer Preserve in an amount not to exceed \$750.00.

Public Comment:

John Hutchinson, 3199 Stillwood Lane, expressed his concerns regarding the expense for Shaffer Preserve and stated that he is against the park.

Dorina McHale, 2112 Shadyside Lane, stated that her letter was mailed and expressed concerns about taxes increasing and the Shaffer Preserve project. She strongly encouraged the Board to stop spending money on this project.

James McDaniel, 1415 Zebley Road, stated that a brick house with a white garage exists on the property and noted that he performed work for Dr. Shaffer multiple times. He said that Shaffer Preserve cannot be developed and that residents are now paying for the property in their taxes.

Dave Tustin, 1159 Naamans Creek Road, expressed concerns with the budget and suggested areas where the Township could save money. He recommended exploring additional income sources and stated that Shaffer Preserve could be developed in phases as funds become available.

Dianne Smith, 1602 Wendy Way, suggested the Township send out a newsletter. She noted her letter was postmarked and expressed concerns regarding the budget, Shaffer Preserve, and the upcoming 2027 tax increase. She stated that Shaffer Preserve should remain as simple as possible.

Joe Thurslic, 1641 Village Ave, expressed concerns and frustrations with the budget. He stated that he prepared graphs and charts to project the numbers and requested that projections for 2027 and 2028 be included.

Jerry McMullan, 1607 Nicole Drive, stated that he attended the meeting due to the letter that was sent out. He expressed concerns about Shaffer Preserve and stated that the park is unnecessary.

John Nevy, 3213 Sarum Farm Lane, stated that he initially supported the Preserve when he purchased his home but does not support a large development on the property. He said that the Township should prioritize maintaining existing parks before investing in new property.

Kathleen Layton, 3707 Pimlico Place, requested that the budget spreadsheet be uploaded to the Township website to prevent residents from repeatedly requesting the document.

Ed Deisher, 1108 Old Post Circle, expressed concerns regarding the budget and emphasized the importance of transparency. He encouraged residents to attend more meetings and urged the Board to adopt a balanced budget. He also asked when survey information would be available.

Donna Vance, 1612 Wendy Way, expressed concerns about Shaffer Preserve, including Goodley Road access, and referenced the Board survey. She vocally expressed opposition to the park.

Trish Zeits, 1670 Wisteria Way, stated that the community should actively demonstrate opposition to the project. She expressed concern that she felt that budget-related questions are not being answered.

Supervisor D'Agostino stated that moving forward with the current motion would include proceeding with the bridge at Shaffer Preserve.

Erica Brignac, 1440 Naamans Creek Road, noted that public comment does not require Board responses. She stated that the Board has tried to accommodate residents' needs

for Shaffer Preserve, emphasizing accessibility for individuals using wheelchairs, walkers, and strollers.

James McDaniel, 1415 Zebley Road, expressed concerns about the previous survey and stated that taxes in Bethel Township are expected to increase significantly.

Motion: On a motion by Chairman Dennie, seconded by Supervisor Iacono, Supervisor D'Agostino opposed, the Board approved Environmental Management & Consulting to prepare a wetland delineation letter for the Shaffer Preserve in an amount not to exceed \$750.00 on a 3-1 vote.

Motion to authorize the submission of permit fees, not to exceed \$1,650.00, for the NPDES and Highway Occupancy Permits for the Shaffer Preserve.

Public Comment:

Dave Tustin, 1159 Naamans Creek Road, expressed concern regarding the approval of permits, occupancy, and the wetland letter. He stated that such approvals should be addressed at the Chester Valley Engineers meeting on Thursday, rather than at tonight's meeting.

Motion: On a motion by Chairman Dennie, seconded by Supervisor Iacono, Supervisor D'Agostino opposed, the Board authorized the submission of permit fees, not to exceed \$1,650.00, for the NPDES and Highway Occupancy Permits for the Shaffer Preserve on a 3-1 vote.

Motion to approve a one-year service agreement with Advanced Electrical Services Group, Inc. for generator maintenance, at a cost not to exceed \$695.00, subject to Solicitor review.

Motion: On a motion by Vice-Chair DerOhannessian, seconded by Chairman Dennie and carried unanimously, the Board approved a one-year service agreement with Advanced Electrical Services Group, Inc. for generator maintenance, at a cost not to exceed \$695.00, subject to Solicitor review.

Supervisor lacono stated that the Township has been informed that a new generator will be needed soon and recommended putting the project out to bid in order to stay on top of costs.

Resolution 2025-36 – Authorization to Apply for the 2025 PECO Green Region Open Space Program Grant for the Shaffer Preserve Project.

Motion: On a motion by Supervisor Iacono, seconded by Vice-Chair DerOhannessian, Supervisor D'Agostino opposed, the Board adopted Resolution 2025-36 – Authorization to Apply for the 2025 PECO Green Region Open Space Program Grant for the Shaffer Preserve Project on a 3-1 vote.

Supervisor D'Agostino requested clarification on the total amount of the grant and how much funding the Township will be contributing.

Motion to approve payment of \$6,750.00 to MOR Brothers for completed curb repair and asphalt work at 7 Creekview.

Motion: On a motion by Supervisor Iacono, seconded by Vice-Chair DerOhannessian and carried unanimously, the Board approved payment of \$6,750.00 to MOR Brothers for completed curb repair and asphalt work at 7 Creekview.

ANNOUNCEMENTS:

The Board of Supervisors will convene a special meeting on Thursday, November 20, 2025, at 6:30 PM in the Myers Building to receive a presentation from Chester Valley Engineers regarding the Shaffer Preserve.

On Monday, December 8, 2025, the Township will hold its Fall Yard Waste Collection.

The Board will receive a presentation on the proposed Pyle's Walk Development, formerly known as "Independence Towns," on Thursday December 11th, 2025, at 6:30PM.

Supervisor D'Agostino stated that he wanted to congratulate the BYC 9u Football team who won the championship this past weekend. They were undefeated all season.

Community Comment:

Dave Tustin, 1159 Naamans Creek Road, asked a question about Independence Townsand stated he will be at the meeting.

PUBLIC QUESTIONS/COMMENTS:	PAG
Harry Smedley	8
Bob Lyons	9

1	THE CHAIRMAN: All right, everyone. I
2	have 6:30 on my computer. Will you join me
3	for the Pledge of Allegiance?
4	
5	(Pledge of Allegiance)
6	
7	THE CHAIRMAN: I would like to
8	announce that there is a recording device
9	at the dais for the purposes of taking
10	meeting minutes, and we are streaming live
11	and having a recording on our YouTube
12	channel.
13	
14	(The board turned its attention to
15	matters off the record and resumed as
16	follows:)
17	
18	THE CHAIRMAN: On to public hearings.
19	Mr. D'Agostino, this may be in your court.
20	MR. D'AGOSTINO: Yes. So I'm going to
21	do a brief review and our solicitor will
22	get into more of the legalese.
23	MS. IACONO: Do you want to open the
24	public hearing first before we do that?

1	THE CHAIRMAN: Sure. I'd like to make
2	a motion to open a public hearing on
3	Ordinance 244 for the Volunteer Service Tax
4	Credit Program.
5	MS. IACONO: I'll second that motion.
6	THE CHAIRMAN: Motion made and
7	seconded. All in favor?
8	
9	(The Board unanimously responds aye.)
10	
11	THE CHAIRMAN: Motion carried.
12	Please continue, Mr. D'Agostino.
13	MR. D'AGOSTINO: So a number of years
14	ago, the Pennsylvania state legislators
15	general assembly passed a law that allowed
16	county and local municipalities to pass an
17	ordinance that would give firefighters,
18	mostly firefighters, wouldn't have to pay
19	their local tax.
20	The purpose behind it is volunteer
21	firefighters, unfortunately, people are
22	busy. They don't have the time.
23	So this is one of the enabling acts
24	the general assembly gave local

municipalities and counties to encourage volunteerism.

Unfortunately, not many municipalities or counties have done it in Pennsylvania.

The only one that I'm aware of is Chester County.

So with the tax burdens in our county and our municipalities increasing, a year or so ago I first brought this topic, I know Chuck, when he was liaison for fire, he moved it forward, then I became liaison for fire, and today we're going to hopefully pass it.

So there's certain criteria based on volunteerism, and just so everybody knows, you don't have to fight fires to be a volunteer. Okay?

There is back office work that needs to be done. There's fundraising stuff that needs to be done.

So I encourage people who may feel they're not the right age or not physically able to fight fires, there's plenty of work that the fire department needs help that

you can do without fighting fires. So this is also a public service announcement for that.

So basically, if you meet a certain criteria, that is, you're putting a number of hours as a volunteer in a year, your Bethel Township taxes you will not have to pay. Only Bethel Township, that's all we can control is Bethel Township.

We hope to expand and invite other communities to join us because not all of our volunteer firefighters live in Bethel Township.

So we hope to do agreements with surrounding municipalities that will do the same for maybe Bethel firefighters who live in Aston or Chichester.

So I'll hand it over to our solicitor to talk more of the legal stuff.

MR. MADDREN: So I think Supervisor
D'Agostino did a nice job summarizing. A
couple nuances to it. One is that the
reciprocity could apply the other way, too;
right?

So if you are an Aston firefighter who lives in Bethel, if we were able to come to those reciprocity agreements, they would get this credit without an agreement from the neighboring municipality.

It's only firefighters in Bethel will get the credit in Bethel.

It's also technically available for volunteers of a nonprofit EMS entity, and we have a nonprofit EMS entity operating in town, but they're not volunteer based.

They're paid, employee based.

The only other nuance is technically they have to pay the tax and then there's a credit back.

So they pay the tax. We work with the fire department to see who on the roster met the volunteer criteria, and then those people would be able to apply for a credit back.

What you'll see as we go through the agenda is this is just a public hearing on this item.

Once we close the public hearing, the

board will move through its business, and then we get to the new business section of the agenda.

There is this ordinance that we're discussing now, and there is also a resolution that establishes the criteria for the firefighters, and this is something that was developed in conjunction with Bethel Hose Company.

That can be fluid. This is our first time doing it, so we did those criteria by resolution so that if we learn something, we have the opportunity to edit it.

Mr. Chairman, I think that's all I have by way of introduction. It would be appropriate for you to call for any public comment on this ordinance.

THE CHAIRMAN: Thank you, Mr. Maddren. Yes, please, we'd like to now open this to the public for comment.

MR. SMEDLEY: Yes, I have a question.
Harry Smedley, S-M-E-D-L-E-Y.

So, Mike, is this restricted solely to firefighters, and who else can receive this

1	tax credit, and what would they be
2	volunteering for aside from firefighting?
3	MR. D'AGOSTINO: So you would need to
4	be a volunteer of Bethel Hose Company
5	Number 1.
6	MR. SMEDLEY: Okay. So it's
7	restricted solely to the hose company?
8	MR. D'AGOSTINO: Yes.
9	MR. SMEDLEY: That's awesome. We need
10	volunteers.
11	MR. D'AGOSTINO: Yes.
12	MR. SMEDLEY: That's my question.
13	MR. D'AGOSTINO: For not necessarily
14	fires, volunteers for the fire company. So
15	if you can help with fundraising or
16	accounting, all that stuff, that would
17	help.
18	MR. SMEDLEY: That's awesome.
19	MR. D'AGOSTINO: Yes.
20	MR. LYONS: Bob Lyons, L-Y-O-N-S, 3726
21	Mayfield Lane. You said there's criteria
22	for it?
23	What is the criteria, and then how do
24	we track that criteria?

1 MR. MADDREN: So it's the fire company 2 is tracked. I can handle that second part. 3 So basically each year, the chief of 4 the fire company would certify who meets 5 the criteria and provide that to the 6 township by March 1st. 7 MR. D'AGOSTINO: I'll give you some of 8 the items. So emergency calls, department 9 training, certification, attending company 10 meetings, fire prevention, public 11 relations, firehouse hours, line officer, 12 table officer, committee chair, committee 13 member, fundraising, longevity. 14 These are some of the items that they 15 will track and give points for. 16 MR. LYONS: Right. So like there's 17 hours? 18 MR. D'AGOSTINO: Yes. 19 MR. LYONS: How many hours do you get, 20 need --21 MR. D'AGOSTINO: So you need a hundred 22 credit points, and each of these items has 23 a credit assigned to it. 24 MR. LYONS: Is that an hour?

MR. D'AGOSTINO: Yes. 1 2 MR. MADDREN: They're weighted. 3 MR. D'AGOSTINO: So if you're an 4 officer, obviously, you're spending more 5 time, there's more points for being an 6 officer. 7 Emergency calls, there's points for that. So that's a criteria that the 8 9 department will track. 10 MR. LYONS: Could you estimate, like 11 how many people are eligible for this? 12 Have you estimated what the cost would 13 be to the township if you're giving that 14 credit back? 15 MR. D'AGOSTINO: Well, like I said, 16 this is the first year we're doing it. 17 So until we get through this first 18 year, that's going to be the trial period 19 we actually see how many people are 20 eligible and doing it. MR. MADDREN: So this is the first 21 22 year that the fire department will be tracking the criteria. The criteria will 23 be established during the year. 24

So I don't think we have -- I don't 1 2 know if anybody from the fire department is 3 here. 4 Brett, do you have an estimate of the 5 number of people who are getting qualified for this? 6 MR. SMALL: I do not right offhand. 7 We're working on that. The administration 8 9 office is taking care of all those numbers. 10 MR. MADDREN: How many members do you 11 have? 12 MR. SMALL: As far as fully active, 13 about 20, and then we have probably 10 to 14 15 social members, plus your 15 administration, fundraising, like that kind 16 of stuff. 17 But they don't ride the fire trucks 18 and all that stuff. 19 MR. LYONS: But other people beyond 20 that would be eligible potentially? 21 MR. SMALL: Correct. If all you 22 wanted to do was fundraising, if you take 23 care of fundraising and make your meetings, 24 like our company meetings we have once a

1 month, like they say, you'll have points, 2 and once you make the criteria, then you're 3 good for the reimbursement. 4 MR. LYONS: So are you going through a 5 trial period to find out how many people 6 will be eligible to achieve that and then 7 find out what the impact is to the budget as a result of those tax credits? 8 9 MR. D'AGOSTINO: No. This is the 10 first year we're going to enact this 11 ordinance. Okay? 12 The idea of the general assembly act 13 that we have is, and the department has 14 verified, that it is very hard to get 15 people to come and volunteer to fight 16 fires. 17 So the amount of money, which we don't 18 believe is going to be excessive, because 19 there's probably only a handful that live 20 in Bethel; correct? 21 MR. SMALL: Correct. 22 MR. D'AGOSTINO: Is worth the value to 23 be able to protect our citizens. 24 MR. LYONS: You said you didn't know

1	what the impact would be.
2	MR. D'AGOSTINO: Correct. This is the
3	first year we're doing it.
4	MR. MADDREN: I mean, we know that
5	it's probably limited; right? There's 35
6	members. Most of them don't
7	MR. SMALL: I have six to ten members
8	that actually live in Bethel.
9	MR. MADDREN: Even if it was, say, a
10	thousand bucks, just to put a round number
11	on it, a paid firefighter would cost us,
12	what, about 150,000 between benefits and
13	salary and those sorts of things.
14	MR. LYONS: Why would you implement
15	something if you don't know what the impact
16	is going to be?
17	MR. D'AGOSTINO: Well, we know it's
18	within a small ballpark, and if we don't
19	implement it, then we have to be proactive
20	trying to get more people to volunteer.
21	MR. LYONS: What do we think the
22	ballpark is?
23	MR. D'AGOSTINO: Probably between six
24	to ten Bethel residents. It doesn't mean

1 they're all going to qualify. 2 So until we go through that process, 3 this has never been tracked before. 4 MR. MADDREN: Ed Plasha, do you know 5 our average tax per household? 6 MR. PLASHA: Yeah. I would estimate 7 for our purposes about \$500 average tax bill. 8 9 MR. MADDREN: I'm sorry. Can you 10 state your name and your position with the 11 township? 12 MR. PLASHA: Ed Plasha, P-L-A-S-H-A, 13 tax collector. Let's say \$500 average tax 14 bill. If there were 20 firefighters, it 15 would be about \$10,000. 16 Over \$1.5 million, it would be less 17 than a one percent, almost a half a percent 18 increase on overall taxes. 19 So I would say it's not a material 20 number to start. 21 MR. D'AGOSTINO: And if we were unable 22 to provide volunteer service and had to 23 move to a paid service model, which would 24 be cost prohibitive at this point for a

1	small town.
2	MR. LYONS: So you're talking about a
3	tax increase.
4	MR. D'AGOSTINO: There's no tax
5	increase, no.
6	MR. LYONS: That's what I thought I
7	heard the gentleman say.
8	MR. D'AGOSTINO: No. I don't think
9	Mr. Plasha said there would be a tax
10	increase.
11	MR. PLASHA: No, I didn't say a tax
12	increase. It would be an immaterial
13	relevance to the overall budget of \$10,000
14	on a \$1.5 million budget.
15	MR. D'AGOSTINO: And that's a max.
16	MS. DER OHANNESSIAN: Any other public
17	comments?
18	MR. MADDREN: Hearing none, I think it
19	would be appropriate to close the hearing,
20	Mr. Chairman.
21	THE CHAIRMAN: Yes. I'd like to make
22	a motion to close the public hearing on
23	Ordinance Number 244.
24	MS. OHANNESSIAN: Second.

1	THE CHAIRMAN: Motion made and
2	seconded. All those in favor?
3	
4	(The Board unanimously responds aye.)
5	
6	THE CHAIRMAN: Motion carried. The
7	public hearing is closed.

Subject: Resignation from Elected Auditor position

Dear Board of Supervisors of Bethel Township -

I, Debra A. Miles, am resigning from my elected position as Township Auditor effective November 30, 2025. I have health challenges that require my full attention.

I have enjoyed serving the residents of Bethel Township these years and wish the best for our township moving forward. To the residents who have graciously supported my service as a Township Auditor, I say Thank You! It has been my pleasure to serve.

Respectfully, Debra A. Miles Bethel Township Auditor

Bethel Township Tax Collectors Report For the Month Ended November 2025

Supervisors,

During the month of November there were 19 invoices collected for 2025 taxes. The total tax collected for November was \$13,831.13 and was remitted to the Township in one installment: December 5, 2025. The breakdown is as follows:

\$4,624.70 for Township tax (\$1,231,189.49 YTD)

\$442.42 for Fire tax (\$117,777.68 YTD)

\$138.91 for Library tax (\$36,976.83 YTD)

\$6,768 for Trash Fees (\$1,233,504 YTD)

\$1,857.10 for EMS tax (\$494,392.94 YTD)

As of November 30, 2025, 3,501 tax bills were collected out of 3,577 (97.88% as compared to 97.93% in the prior year).

For the Garnet Valley School District, 3,584 payments have been processed for a total of \$25,757,536.46.

Customer service provided to residents and outside entities during the month were 26 telephone inquiries and approximately 70 e-mail inquiries for a total of 96 requests that required action and response.

Respectfully submitted,

Edward Plasha December 1, 2025

SAFETY MESSAGE:

Winter Driving Tips:

- 1- Prepare your vehicle check tires, windshield wipers, fluids, safety equipment, and check fuel level.
- 2- Know your route in advance check for road closures, accidents, and construction, and advise someone of your route if traveling over 50 miles.
- 3- Pack an emergency kit blanket, hat, gloves, boots, water, and a snack. Charge your cell phone and pack the charger.
- 4- Take it slow roads start to freeze at 34 degrees; bridges can freeze around 38 degrees when wet or icy. Know what black ice is and how to recognize it.

5- <u>Have an emergency plan</u> – make preparations along your route for emergency fuel, and lodging if needed. Know what resources are available along your proposed route.

Always be situationally aware of your surroundings and call 911 to report suspicious activity. If you see something, say something!

Garnet Valley School Board Report

December 2025 Bethel Township Board of Supervisors Meeting

Garnet Valley School Board Updates

On Tuesday, December 2, the Garnet Valley School Board held its swearing-in ceremony for members elected in November. Judge Wendy Roberts administered the Oaths of Office to four members beginning new four-year terms: Bob Anderson, Rosemary Fiumara, Rob Hayes, and Denise Schiller.

The Board also held its annual reorganization. Rob Hayes was unanimously re-elected as President, and Rosemary Fiumara was re-elected as Vice President.

Pennington Project Update

What's Happening Now?

- New Storage Facility (by the Middle School Gym): Earthwork is underway on the future site of our new storage building. This space will support district-wide operations by storing supplies, club materials, and activity props.
- Transportation Trailers: The trailers currently on-site will be removed. Once the Pennington building is complete, all transportation services, including our buses and vans, will relocate there.
- Paving & Curbing: Major progress has been made. Our goal is to open the new tennis court parking lot by December, weather permitting.
- Athletic Fields: Retaining walls are nearly finished. If weather allows, turf will be installed in December. We're aiming to have the fields ready for spring use.

Why All the Dirt?

 Many have asked about the mounds between the middle school and the Rachel Kohl Library. These berms were required by the township to screen the storage building from public view.

What's Next?

- Pennington Building and Field House: Both buildings are being enclosed so interior work can continue through the winter.
- Field house completion target: June/July 2026
- Pennington building completion: December 2026

Library News - November 2025

♥ WHY YOUR SUPPORT MATTERS

Please keep an eye out for our Annual Appeal in the mail and consider making a gift this year to help us continue serving our community.

Our patrons have been incredibly generous—thank you!—but we are currently only at 58% of our annual fundraising goal. Since 40% of our funding comes from private and community donations, your support directly sustains our programs, services, resources, and staffing. Without this support, we may be forced to reduce programs, services, or even library hours. If you haven't donated yet this year, please consider doing so. Every dollar truly makes a difference, and we are deeply grateful for your support.

In our June survey, 99.5% of respondents shared that the library is "very important" to the community—yet 42% have never donated. We hope to lower this number, because everyone is part of our story. The library also accepts stock donations! To learn more, visit: https://donate.infinitegiving.com/rachel-kohl-community-library.

❖ NOVEMBER HIGHLIGHTS

Our adult programs continue to thrive! Weekly Yoga, Mah-Jong, and Knit & Crochet Club—as well as our monthly Book Clubs—have all been wonderfully attended, and we are proud to offer them at no cost to our community.

Our special craft events, including macramé keychains, Pastel Art, and more, have also been a great success this fall. Thank you to everyone who brings creativity, energy, and community spirit to the library.

FACILITIES UPDATE

The library has submitted a proposal for a full roof replacement. In 2025, we applied roughly 15 patches to keep the roof intact, but each patch only lasts 6 12 months—and we often find ourselves patching again after every rain. Please consider supporting the library to help us *literally* keep a roof over our heads!

GET INVOLVED

We're seeking adult volunteers to assist with upcoming fundraising events. If you're interested, please email us at **kohllibrary@delcolibraries.org**. Your time and dedication make a meaningful impact.

We are also accepting **Book Donations!** Please review our donation guidelines on the website—we appreciate your contributions.

IIII DECEMBER DATES TO REMEMBER

- December 5: Library closed for Staff Training so we can better serve our community.
- **December 24–25:** Library closed for the holiday.
- **December 31:** Closing early at 3 PM.

Wishing everyone a warm and happy holiday season!

Library Usage & Statistics – November 2025

The five municipalities served accounted for 85% of the library's total circulation in November.

• Bethel patrons made up 27% of that circulation.

Total circulation for all five service areas in the combined Delaware County Libraries was **11,963.**

Total circulation for the Rachel Kohl Community Library in November (through November 26) was **6,834.**

In November, the library processed **52** new library card applications from the five communities.

• **Bethel Township** represented 6, equaling 12%.

Programming Highlights

The library offers a wide variety of programs for all ages and is eager to expand the offerings. If there's a topic you're passionate about or would like to learn more about, the library invites you to reach out and share your ideas.

Upcoming Programs for December!

Children's Programs in November

Recurring Events:

- Family Storytime
- Block Party
- LEGO Club
- Let's Have Fun STEM

Additional Library Services

- Small Meeting Room: Available for tutoring, studying, and small gatherings.
- **Community Room Rentals:** For individuals, nonprofits, and businesses. Details can be found at kohllibrary.org/rent-a-meeting-room.
- At-Home Delivery Service for qualifying patrons.
- Interlibrary Loan: Need something from outside Delco? Fill out a request form at kohllibrary.org/inter-library-loan/ and we'll do our best to fill your request!
- Libby and Kanopy: ebooks, audiobooks, magazines, movies and more!

Thank you for being part of our library community. We're proud to serve the residents of Bethel, Chadds Ford, Concord, Thornbury townships and the Borough of Chester Heights.

We look forward to seeing you at the library!

Manager's Report – November 2025

Happy holidays everyone and thank you for your continued support throughout 2025.

The Township would like to extend a special thank-you to our Parks and Recreation Board for hosting this past weekend's *Christmas with Santa* lunch. The event saw a wonderful turnout from families across the community, and we are grateful to all the volunteers and residents who helped make it such a warm, festive, and memorable gathering.

Staff have been actively preparing for 2026 by creating the Township calendars, planning, and scheduling public notices, and updating the website to improve communication with residents.

At the same time, preparations for the annual reorganization are underway, ensuring that administrative, operational, and procedural processes are ready for a smooth start to the new year.

To the Board of Supervisors,

I am writing to provide additional background on Agenda Item VII(b) under New Business: Discussion and possible action to authorize Boates Brothers General Contracting to install a public-access wall, door, window, and countertop within the Township Office through the COSTARS Cooperative Purchasing Program, at a cost not to exceed \$17,079.36.

This recommendation follows more than two years of review and reflects the Township's ongoing efforts to enhance safety, security, and operational efficiency within the Township Office.

Rationale for Security Improvements

Over the past 3–4 years post-COVID, the Township has experienced a steady increase in walk-in activity from residents, contractors, and individuals seeking assistance with various Township services. While most interactions are routine, staff have increasingly encountered unpredictable or escalating situations, including:

- Disputes between residents and contractors at the front counter.
- Domestic or interpersonal conflicts occurring inside the office.
- Individuals entering the office immediately following community-related incidents seeking information or attempting to challenge enforcement actions.
- Several incidents requiring activation of the panic buttons located beneath both front desks.
- Visitors exhibiting signs of impairment—such as slurred speech, disorientation, or odor of alcohol or medication—requiring staff to arrange safe transportation and notify the appropriate authorities.

Additionally, there have been occasions when serious Township-related matters intersected with office operations, including individuals being taken into custody inside the building and periods of heightened concern following telephonic threats directed toward Highway

Department employees. These events underscore the unpredictable environment faced by front-line administrative staff.

Physical Layout Challenges

The current vestibule and counter configuration presents several safety and operational concerns. The interior doors are controlled by a motion sensor that automatically unlocks when someone enters the vestibule, allowing visitors to enter staff areas without prior acknowledgment. This has occasionally resulted in individuals entering sensitive or active situations.

On multiple occasions, children and dogs have wandered into the Treasurer's Office and my office before staff were aware they had entered the workspace.

Visitors also frequently take phone calls or send text messages at the counter. Some of these conversations include loud or inappropriate language, which disrupts staff and create an unprofessional environment. Courtesy signage in English and Spanish has helped reduce the behavior but has not eliminated it.

Enhanced Video Monitoring Option

Several Board members have suggested installing a security camera linked to the Township's internal monitoring network. Total Security Solutions—the Township's current security vendor, who recently installed the exterior camera system at the Myers Building—can provide this enhancement.

The cost to install a foyer and front-entrance monitoring camera is \$1,329.95.

This item appears separately under New Business VII (c).

Authorizing Total Security, Inc. to install a foyer and front-entrance monitoring system within the Township Building.

Review of Options and Professional Input

Over the past year, staff visited several neighboring municipalities to evaluate vestibule and counter designs. Many use aluminum-framed or reinforced enclosures that, while secure, present an institutional appearance the Township seeks to avoid.

In August 2025, both Trimm Glass Co., Inc. and Superior Glass & Mirror evaluated the Township Office. Both vendors identified a key concern:

The existing front counter is original to the building and constructed on deteriorated particleboard cabinetry that has repeatedly failed.

Although staff has reinforced the counter multiple times, it is no longer capable of supporting a modern security installation.

All professional assessments concluded that the appropriate solution is to remove the existing counter entirely and construct a new wall-based secure access system similar to designs used in secure areas of other Township facilities. This approach provides necessary security enhancements without creating an overly institutional appearance.

Proposed Wall and Access System

The recommended design includes:

- An 8-foot-tall wall with a 12-inch open section at the top to preserve natural light and maintain HVAC performance.
- A commercial-grade solid door with a window and Wi-Fi-enabled electronic locking system for controlled access.
- A 36" × 36" glass transaction window with a secure pass-through for documents and payments.
- A new, durable counter system constructed on a stable foundation, replacing the deteriorated original cabinetry.
- Additional details are included in the Boates Brothers General Contracting proposal provided in your packet.

This design balances safety, security, and customer service by providing a controlled-access environment while maintaining a professional, welcoming front office appearance.

Request for Board Approval

For the reasons outlined above—including staff safety, enhanced security, improved public-service operations, and professional recommendations—I respectfully request that the Board please consider:

- 1. Authorizing Boates Brothers General Contracting to install the proposed public-access wall, door, window, and counter system through COSTARS, at a cost not to exceed \$17,079.36; and
- 2. Considering approval of the optional foyer and front-entrance security camera system from Total Security, Inc., at a cost not to exceed \$1,329.95.

Thank you for your careful consideration of this important safety and operational improvement.

Respectfully submitted,

William Addison

Respectfully Submitted By: Alan Boates

Billing Terms/Payments

⅓ of the total (\$5,693.12) upon signing/acceptance of the contract. ⅓ of the total (\$5,693.12) is due on the first day of your scheduled service. Balance (\$5,693.12) upon completion of the project.

Any returned checks will be subject to an NSF fee of \$75.00 added to your statement.

There is a 4% fee for all Credit card transactions

Permits/Zoning

The customer is responsible for obtaining all permits/zoning and paying the associated fees. Boates Brothers can obtain permits/zoning for the customer upon request. If Boates Brothers obtains the permits/zoning there will be an administrative fee of \$50 per permit/zoning above and beyond the actual municipality fees.

The customer is responsible for any inspection fees from outside inspectors your municipality chooses to use.

*If you are expecting a Military, Senior Citizen, or any other discount from your municipality, you must express this to Boates Brothers General Contracting prior to applying for your permits and provide ID. *

Any alterations, unforeseen complications, or deviations from the above specifications involving extra costs will become an extra charge over and above the estimate.

All extra costs are due upon completion of that scope (separate and prior to the final payment).

All agreements are contingent upon delays beyond our control.

The above estimate/contract total is valid for 15 days from the issue date. If the contract is not accepted within 15 days, the total price is subject to change due to material costs.

The customer is responsible for removing personal items, cleaning, and preparing for work to be performed. Any area work is to be performed that is not properly cleaned, personal items removed, and prepared; there will be an additional charge. Boates Brothers is not responsible for any personal belongings that need to be moved that may be broken or damaged during preparations.

Boates Brothers is not responsible for any damages to any existing fixtures that are being removed and reinstalled.

Boates Brothers is not responsible for any disturbances (nail pops, settling, etc) in other areas of the home or project location during our construction. Any additional repairs needed will be an extra cost based on time and materials.

All tile estimates are based upon average/normal tile patterns unless otherwise specified above. If the customer prefers specific patterns such as chevron, herringbone, etc, additional charges will apply due to the additional waste, time, and skills.

All cabinet, shelf, and vanity installations are based upon pre-assembled items. Any vanities, cabinets, etc, that require assembly will be an additional charge above the contract unless noted above.

All items supplied by the customer are not warranted or guaranteed by Boates Brothers General Contracting LLC for any defects or quality. Boates Brothers can only guarantee our installation and workmanship; we can not guarantee the products previously purchased by the customer.

Any project that requires underground digging and there are large rocks/boulders that require additional machine work, there will be an additional cost determined upon discovery.

If your project involves grinding and/or Epoxy:

Boates Brothers General Contracting offers a 2-year workmanship guarantee, and all others would be manufacturer warranties and based on specific products used.

All materials are guaranteed to be as specified above. Boates Brothers General Contracting LLC is not responsible for any issues caused by hydrostatic pressure and/or concrete outgassing. Any alterations or deviations from the specifications listed above involving extra costs will be executed only upon written orders and will become an additional charge over and above the original estimate. All agreements are contingent upon strikes, accidents, or delays beyond our control. The owner gives authorization to perform the work listed in the above proposal and agrees to pay Boates Brothers General Contracting LLC according to the payment terms listed above. The customer is responsible for removing all items (equipment, furniture, machines, personal items, etc), cleaning, and preparing for the project. There will be an additional charge determined upon discovery for any area that is not prepared (items moved, and free of trash and debris), and Boates Brothers General

Contracting LLC is not responsible for anything that is broken or damaged as a result of preparations or disturbance in those areas or other areas of the property from grinding etc.

If your project requires engineered drawings, that will be a separate charge above and beyond our scope of work, and will need to be paid upon drawings being completed. If the drawing and code cause the scope of work to change, there may be additional costs that will be agreed upon at that time.

____ I authorize the use of images of the above project for marketing purposes by Boates Brothers General Contracting.

Acceptance of Proposal

The above prices, specifications, and conditions are satisfactory and are hereby accepted. You are authorized to do the work as specified.

Upon signing, I agree not to solicit any Boates Brothers General Contracting employee to do "side work" or any off-the-record projects.

Re: Inlet Replacements for Bethel Township

Dear Matt,

Per our discussions, we are pleased to submit the following proposal for your consideration: Furnish all labor, materials, equipment and supervision necessary to complete the remove and replace of three precast concrete inlet lids at various locations in Bethel Township. We propose the following scope of work:

- Saw cut 2' perimeter around three sides of the existing inlet
- Remove and dispose of existing inlet lids
- Install new precast lids utilizing precast risers as needed, (up to 2" thickness)
- Install 5" compacted thickness, Penndot 25mm bituminous base course
- Install 2" compacted thickness, Penndot 9.5mm bituminous wearing course
- Edge seal construction joints with AC-20 asphaltic cement
- Clean and remove job related debris

Price\$2,200.00 EA.

Exclusions: Permits and fees; costs and delays due to unknown conditions; engineering and testing; remediation of unsuitable base conditions.

Please call if you have any questions.

Sincerely,

Richard Somers

Bethel Township Website Modernization Proposal: Rationale and Technical Summary

Rationale for Improving the Bethel Township Website

As Bethel Township continues to expand its communication efforts and works to enhance transparency, updating the township website is a necessary next step. The improvements outlined below will help create a more intuitive and integrated digital platform that better serves residents, staff, and elected officials.

1. Strengthening ADA Compliance

While the current website includes ADA-friendly features, compliance is not fully formalized nor consistently implemented across all pages. Strengthening ADA compliance ensures that all residents, including those with visual, auditory, cognitive, or mobility disabilities, can access township information without barriers. The redesign will bring the website into full conformance with WCAG 2.1 AA (or 2.2 AA) standards, improving usability for all.

2. Streamlined Meeting Archives

Residents deserve a simple, unified location where they can find all materials for each meeting, including agendas, minutes, packets, supplemental files, and links to the meeting recordings on YouTube. Currently, navigating to agendas and minutes on the township website is difficult, and meeting packet files are only available temporarily as News items. In addition, YouTube meeting recordings are not yet accessible directly through the township website. Updating the archive structure so each meeting has a single, organized landing page will improve transparency, reduce confusion, and make it easier for residents, staff, and elected officials to locate past materials quickly. This change also supports long-term recordkeeping and government accountability.

3. Consistent Page Layouts and Easier Navigation

A township website should be intuitive, clean, and predictable. Over time, pages can become inconsistent as new content is added, leading to mismatched layouts, uneven formatting, and unclear navigation paths. The proposed website design refresh will ensure the following:

- Information is easy to find
- Pages follow the same layout and design standards
- Navigation menus reflect how residents actually search for information
- Redundant or outdated content is removed

This upgrade enhances user experience and reduces the time staff spend helping residents locate information.

4. Staff Training

To maintain consistency and usability, staff will receive proper training on the new CMS and content standards. This ensures a professional, user-friendly website that reliably provides residents with the information they need.

5. Additional Updates

- <u>Improving the Calendar Tools</u>: A more dynamic, user-friendly calendar supports public engagement and ensures residents never miss key township activities.
- Better Integration of Township Social Media: Enhancing the website's integration with the township's Facebook, Instagram, and YouTube accounts ensures residents can engage with township content no matter how they choose to stay informed.
- Integration of Online Forms and Payments (TBD): Township processes, including permit
 applications and facility reservations, could be handled more efficiently through online forms
 and secure payment portals.

Conclusion

Upgrading the Bethel Township website is an investment in transparency, accessibility, and efficiency. Modernizing the platform will better serve residents, reflect the township's commitment to open and effective government, and strengthen community engagement.

Technical Summary / Internal Workings

This section outlines what Supervisors can expect from the website modernization project.

Project Components

1. Content Management System (CMS):

- Website content will be migrated into EvoGov's municipal CMS.
- CMS features include a web-based editor, role-based permissions (admin, editor, contributor), media library, and templated page layouts.
- Staff will be able to update pages, news, and calendars without developer support.
- EvoGov will provide training and documentation for administrators and content editors.

2. Responsive Front-End Design:

- The front-end will be rebuilt using modern HTML5, CSS, and JavaScript patterns for full responsiveness across mobile, tablet, and desktop.
- Templates will be semantic (headings, landmarks) to improve accessibility and search engine optimization (SEO).

3. Accessibility (ADA/WCAG):

- EvoGov will perform a full accessibility audit and remediate the site to WCAG 2.1 AA (or 2.2 AA) standards.
- Improvements include semantic HTML, proper heading structure, ARIA roles/labels, keyboardonly navigation, form labeling and error handling, color contrast adjustments, and accessible document handling.

 Automated test results (e.g., axe, WAVE) and manual assistive-technology test reports (screen reader checks) will be provided, along with a plan for ongoing compliance.

4. Integrations:

- The redesign will incorporate integrations with existing systems, such as payment processors, permitting/inspection portals, calendars, meeting agendas/minutes, and GIS links.
- Integration includes API or embed configuration, single sign-on (SSO) if needed, and mapping of legacy links to new URLs.

5. Search & Redirect Strategy:

• A site search function and 301 redirect plan will preserve discoverability and link continuity.

6. Security & Hosting:

- EvoGov will recommend hosting options and security best practices, including SSL/TLS certificates, regular backups, and software patch management.
- If hosting is provided by EvoGov, details on uptime, backups, and patch schedules will be confirmed.

7. Training & Documentation:

 Administrator and editor training sessions, a site handbook, and recorded training will be provided for future staff.

8. Warranty & Testing:

- A post-launch testing window (30–90 days) will address bugs and accessibility gaps.
- EvoGov will provide acceptance criteria and a sign-off process.

9. Ongoing Maintenance:

• Clarity on ongoing accessibility monitoring, updates, and content support will be included, with any additional costs identified separately.
