- 12 1/4" wide x 10 1/2" high. Extends 14 3/4". Backplate is 7 1/2" wide x 1" deep. Shade is 12 1/4" wide x 4" high. 6 1/2" mounting point to top. Weighs 2.9 lbs.
- Uses one maximum 100 watt standard-medium base Type-A light bulb (not included). Open bottom shade allows easy access to bulb.
- Barn-style outdoor wall light with gooseneck arm. Inspired by industrial and barn lighting. From the Franklin Iron Works™ brand.
- Dusk-to-dawn photocell built-in. Turns the light automatically on at night, off at sunrise. Textured black finish dome, arm, and wallplate. Aluminum construction.
- Dark Sky friendly design directs light to the ground. Dark Sky regulations vary, check with your local municipality for requirements. Wet location rated for outdoor use. Can also be used indoors.

A careful balance of rusticity and elegance, this outdoor wall light, from the Franklin Iron Works brand, is the perfect addition to your patio or balcony. In a classic urban barn style with a curving neck, it invokes a charmingly old-fashioned feel. A smooth textured black finish gives this fixture a clean, almost contemporary touch. It requires vertical installation and is equipped with a built-in dusk to dawn photocell that provides lighting you don't have to worry about. Dark Sky friendly design shines light to the ground, not the night sky. Note that Dark Sky regulations vary by region, so please check with your local municipality for requirements. Vertical installation only with light pointed down as shown.
