ARB MEMBERS

§ 360-5.15 Building permit (ARB review required).

B. Procedure.

(1) Step one: Application submittal. Applicable, with the following modification: Applications shall be made by the owner or lessee, or agent of either, or by the architect, engineer or builder employed in connection with the proposed work. Where such application is made by a person other than the owner, it shall be accompanied by an affidavit of the owner or applicant that the proposed work is authorized by the owner and that the applicant is authorized to make such application.

(2) Step two: Determination of application completeness. Applicable. When Planning Board decision is required for the application, the ARB will provide recommendation to the Planning Board.

Completed N/A **Not Completed**

After the Planning Board decision, the application shall be resubmitted to the ARB.

Completed N/A **Not Completed**

(3) Step three: Application referral, review and staff report. Applicable, with the following addition: Any application that requires ARB review shall be approved, approved with modifications or disapproved within 60 days of the date the application is deemed complete. To advance the review either the ARB or the Planning Board can schedule a joint meeting on a application. Each Board will decide only on topics within its jurisdiction.

Complete Date _____ **ARB Review Date** _____ **Approval Date** _____

C. Criteria.

In approving the building permit, the Architectural Review Board shall take into consideration the general design framework which respects the scale and architectural character of existing neighborhoods and which will allow development and alterations to be in harmony with and compatible with the existing design and architecture of the Village and not detrimental thereto.

Complies **Does Not Complies**

In reviewing applications, the ARB shall take into account natural features of the site and its surroundings, the exterior design and appearance of existing and planned structures in the immediate area and the character of the area and the Village

encouraging the most appropriate use of the property, conservation of property values and prevention of harmful effects.

Complies

Does Not Complies

Board may attach more or less weight to any guideline or part thereof in relation to other guidelines as may be appropriate under the particular circumstances.

The Board may approve, approve subject to specified conditions or modifications or disapprove any application for a permit referred to it, provided that such action shall be by a majority vote of ARB members,

Conditions

Modifications

Vote Vote

and provided that the ARB shall not disapprove any application unless it finds the building, structure for which the permit was applied would, if erected, be so detrimental to the surrounding area as to provoke one or more harmful effects due to:

Approved

Disapproved

_____ to _____
Vote Vote

(1) Excessive similarity or dissimilarity to any other nearby buildings and structures existing or planned in the area of visual impact, in respect to location and alignment along a street related to neighboring development;

- architectural massing, width, height, proportion and scale in relation to its surroundings;
- modulation of vertical and horizontal elements of the facades to reflect the scale of neighboring development;
- facade design;
- architectural style;
- exterior surface materials;
- heights of horizontal building features such as sill levels, lintels, cornices, etc.;
- roof design, including roof elements such as dormers;
- porches and porticos and other attachments and projections; and
- rhythm or spacing and proportion of windows, doors, storefront and other aspects of building fenestration;

- **the nature of building trim and ornament;**
- **visibility of mechanical equipment, and other design elements.**
- (2) □ Inappropriateness of design in respect to the quality of architectural design;**
- **to the nature of materials to be used in construction; and**
- **incompatibility of design features with the terrain on which it is to be located.**

D. Amendments to the application or to the plans and specifications accompanying the same may be filed at any time prior to the completion of the work, subject to the approval of the Building Inspector if minor. If major amendments, they are subject to the approval of the ARB.

BUILDING DEPARTMENT USE ONLY

Application's conformance and Staff Report: This application conforms to the Local Zoning and Planning Law of the Village of Nyack. Applicant is seeking approval for:

1. Install 3/8 insulation (shelter wrap) around house over existing siding. ****not including lower porch area to the rear of house****
2. Install Cypress exterior portfolio vinyl siding around house. ****not including lower porch area to the rear of house****
3. Install soffit under overhang around house.
4. Wrap rake board and fascia board with aluminum.
5. Wrap windows with aluminum.
6. Front of house install scalloped.
7. Front Porch area, remove rotted wood and wrap wood with aluminum.
8. To the left side of house, remove damage chimney and fill in area with 3/4 inch plywood and install siding over area.

§360-5.4B (6) Outstanding municipal violations. Applications for review and approval of any project shall not be deemed complete while there are outstanding municipal violations pending against the owner, owner's agent, or other entity making such application, where such municipal violations are outstanding against all or part of the premises which is the subject of the application.

- No Violations** **Violations Pending (see attached)**

§360-5.4C. Determination of application completeness. After receipt **one set** of complete submittal of the development application, the Chief Building Inspector shall determine whether the application is complete and ready for review.

(1) If the application is determined to be complete, the applicant will be notified of the additional number of copies required to be submitted for the application to then be processed according to the procedures set forth in this code. An application will be considered complete if it is submitted in the required form, includes all required information and supporting materials, and is accompanied by the applicable fee. The determination of completeness shall not be based upon the perceived merits of the development proposal.

Date: _____

(2) If an application is determined to be incomplete, the Chief Building Inspector shall provide notice to the applicant along with an explanation of the application's deficiencies. No further processing of an incomplete application shall occur until the deficiencies are corrected in a future resubmittal. The inclusion of false information in an application is grounds for determination that the application is incomplete.

Date: _____

§ 360-5.4D Application referral, review and staff report. After determining that a development application is complete, the Building Inspector shall process the development application as follows:

- (1) Applications requiring a single review and approval.** Development applications requiring approval from a single decisionmaking body shall be forwarded to that body, along with a staff report by the Building Inspector outlining the application's conformance with the standards of this chapter.

§ 360-5.2C(4) Powers and duties. The ARB shall have the following powers and duties:

(b) Hear and decide requests and impose reasonable conditions pursuant to **§ 360-5.15** for building permits for the construction or alteration of any structure or item within the Village of Nyack that would affect the exterior appearance or would be visible from the exterior, except for site grading and landscaping, but including:

[3] Alterations.

Decision-making authority & Public Hearing pursuant to §360-5.1, Table 5-1

(l) Retain **counsel** **clerks** **secretary** **engineers** **architects**
 landscape architects **Historic Preservationists** **Planners** to assist the Board in the conduct of its official business.

(n) To perform such other tasks as may be necessary in the carrying out of the above powers and duties, or any additional powers and duties authorized by law.

§ 360-5.4E(3)(c). Posted notice. The applicant shall post notice on the property at least 10 days before the scheduled hearing date. Such notice shall be of a dimension, design and materials as required by the Building Inspector. Notice shall be posted every 20 feet along the front yard, and one additional notice shall be posted conspicuously on each side yard and rear yard property line.
