## **2. New Applications**

### **a. 2633 Main St.**

Applicant plans a "Mathnasium" franchise on the south side of the building. He would like to add signage or displays identifying the business. The minimum might be vinyl lettering applied to the three street-facing windows with text and possibly a logo.

Zoning says there are no restrictions on signage.

He is also considering a small hanging wood sign above the door. This would not be an internally lit sign.

Business name would also be added to the existing sign at the sidewalk.

Although options were discussed nothing was finalized and applicant agreed to return with a final mockup of the signage for committee approval.

No motions were made or considered.

**Adjournment:** Ed McDonald made a motion to adjourn. All were in favor and the meeting was adjourned at 8:16pm.

The next general meeting is scheduled for 7:30pm on January 12, 2026.
