Business of the Algonac City Council

Item No: 5
Meeting: 9.4.18

Agenda Statement

Item Title: Presentations

Submitted By Denice A. Gerstenberg, City Manager

Summary
There are two presentations this evening. Motions are not required to hear presentations.

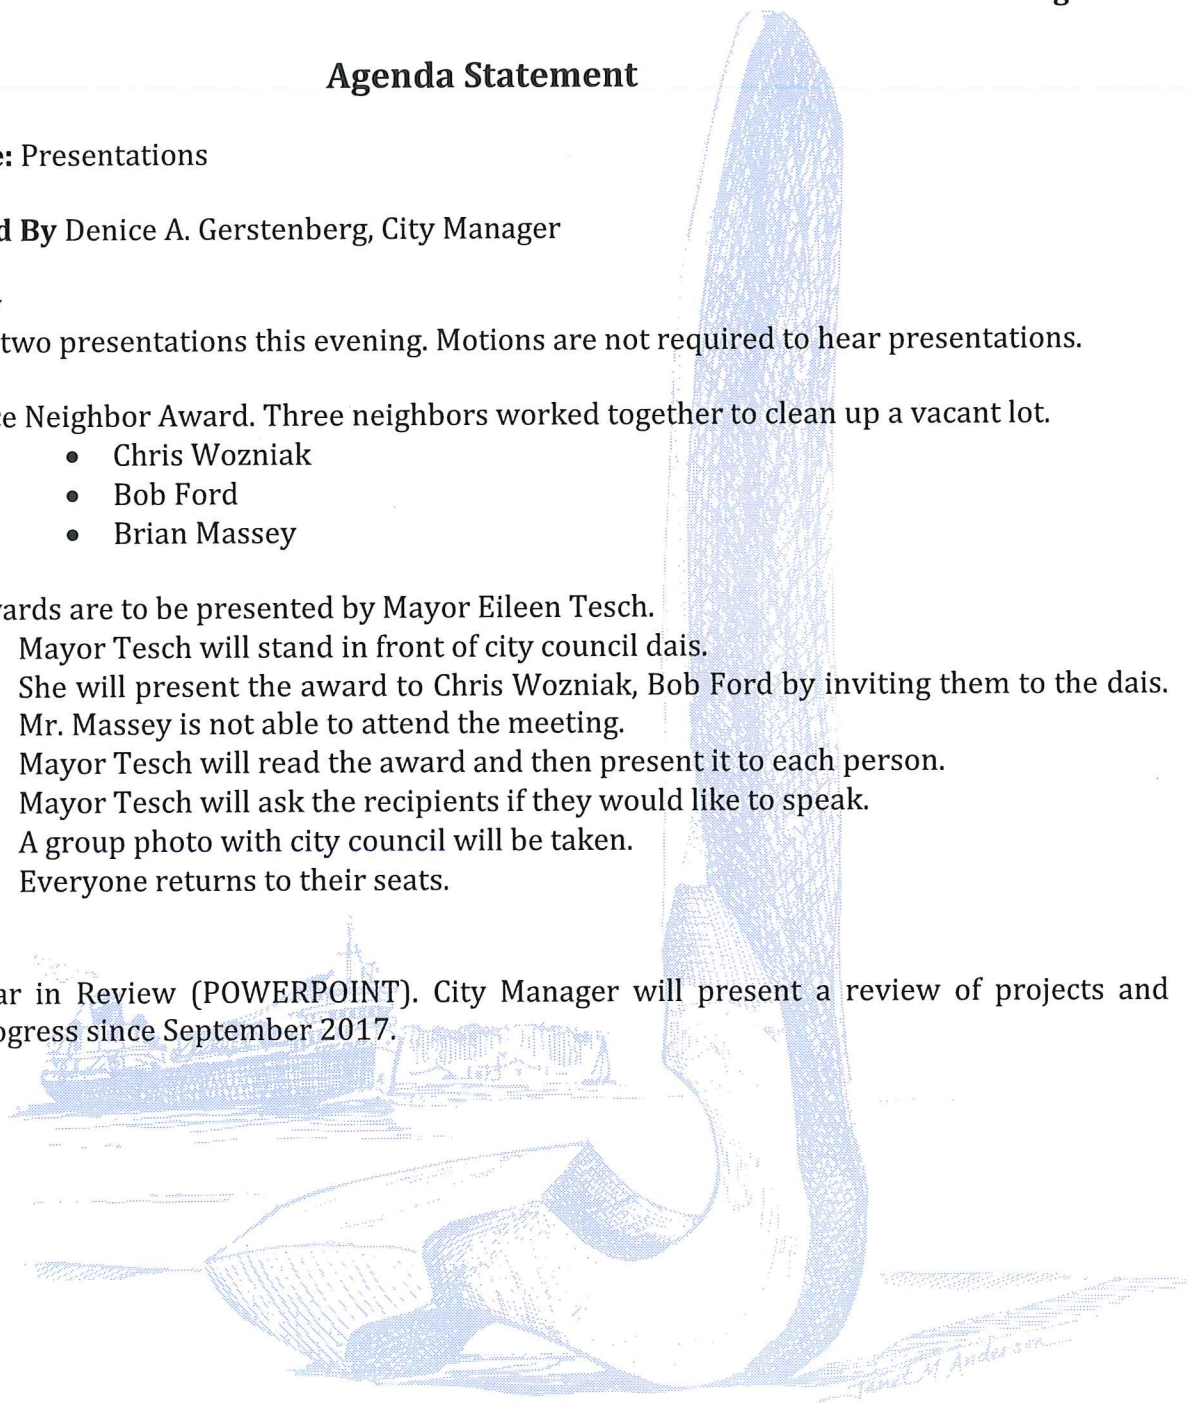
(1) Nice Neighbor Award. Three neighbors worked together to clean up a vacant lot.

- Chris Wozniak
- Bob Ford
- Brian Massey

Awards are to be presented by Mayor Eileen Tesch.

- Mayor Tesch will stand in front of city council dais.
- She will present the award to Chris Wozniak, Bob Ford by inviting them to the dais. Mr. Massey is not able to attend the meeting.
- Mayor Tesch will read the award and then present it to each person.
- Mayor Tesch will ask the recipients if they would like to speak.
- A group photo with city council will be taken.
- Everyone returns to their seats.

(2) Year in Review (POWERPOINT). City Manager will present a review of projects and progress since September 2017.



City Manager's Report
September 4, 2018

Riverfront Park Lighting Update: Rauhorn Electric reset a total of 6 poles and PCE verified the plumbness was within tolerances. The two pole locations with light issues were troubleshooted. The issues seem to be a faulty antenna for the communication and a faulty plug for the motion sensor. Waiting for delivery of replacement parts.

Riverfront Park Bollard Art: Almost all bollards have been adopted and painted!

Riverfront Park Christmas Banners: Bids due September 25th.

Lions Field Washington & Cole Street Entrances: Old fences and debris removed, trees trimmed, icebreakers, landscaping blocks, shrubs and new Lions Field signs installed. More picnic tables moved to Lions Field.

Memorial Chairs: All the plaques have been installed on the chairs and chairs to be placed in park this week.

Waterfront Beer, Wine & Cocktail Festival: Over 500 tickets sold!

Ayes: Stoneburner, Tesch, Thompson, Bembas, Blair, Osieczonek
Nays: None
Absent: Martin

CO#8.14.18 Accounts Payable
Motion by Thompson; supported by Blair to approve accounts payable and payroll in the amount of $113,933.53 as presented.

Roll Call:
Ayes: Tesch, Thompson, Bembas, Blair, Osieczonek, Stoneburner
Nays: None
Absent: Martin

Items for Next Agenda
1. Final report on boardwalk lights
2. Report on SipOFsummer event
3. Recognition awards
4. City Manager's Year in review presentation

Council Comments

Thompson
Thanks to everyone for coming out. It's a privilege to recognize our citizens for their good deeds. Hope Saturday is a success.

Stoneburner
Thanks to the Blight Busters group for their work. Thanks to Blight Officer John Berg for his help in connecting the two and thanks to Deerbrook Builders and Cortis Development for Free for All Wednesdays.

Bembas
Thanks to the group that worked to help another: Jake Skarbek, Cindy Smith, Charlene Randazzo and Josh Rivard.

Osieczonek
There is an old Times Herald article on speed limits and speed traps. MSP now sets speed limits.

Blair
Congratulations and welcome to Ms. Nolan. Thanks for coming out tonight. Looking forward to Saturday's event. I really like the direction the city is heading in and I'm glad to be a part of it.

Tesch
Thanks for coming. Congratulations to Michelle Nolan. Tickets are still available for this Saturday's event on the river and the Art Fair is Labor Day Weekend.

CO#8.15.18 Adjournment
Motion by Thompson; supported by Blair to adjourn the meeting at 7:28 p.m. Motion Carries.

Signed: _____; respectfully submitted Sam Boelke

Agenda Statement

Item Title To reappoint Debbie Scruggs to the Algonac-Clay Library Board for a term ending October 1, 2021

Submitted By Sam Boelke, City Clerk

Summary
The three-year Library Board term of Debbie Scruggs expires on October 1, 2018.

Mrs. Scruggs was contacted by the city clerk and has indicated that she would like to be reappointed to another term three-year term.

As per the 2015 Boards & Commissions Appointment Process adopted by City Council, new applicants will not be sought out in the case of desired reappointments unless by a majority vote of the council.

Suggested Action:

MOVED BY: **SECONDED BY:**

RESOLVED, to reappoint Debbie Scruggs to the Algonac-Clay Library Board with a term ending October 1, 2021.

APPROVED/Denied

Sam Boelke

From: Debbie Scruggs <debbiescruggs55@yahoo.com>
Sent: Wednesday, August 08, 2018 12:19 PM
To: Sam Boelke
Subject: Library Board

Dear Sam:

It would be an honor to be appointed for another term on the Library Board.

When I moved here from Cleveland, Ohio, joining the Library was one of the first things I did because it is a very important part of my life. Our library is like a community center where you can meet people and enjoy talking about what great books we are all reading!

I also joined the Friends if the Library so I could do even more such as fund raising.

Our library offers so much to the community and I enjoy participating and supporting this valuable asset.

Thank you!

Debbie Scruggs

Item No: 10b
Meeting: 9.4.18

Agenda Statement

Item Title To approve purchase of Fire Rescue Extrication Tools in the amount of $14,543.50

Submitted By Chief Joe Doan, Algonac Fire Department

Summary
The Fire Department hydraulic extrication tools have reached the end of their useful life and need to be replaced. Hydraulic rescue tools are used by emergency rescue personnel to assist vehicle extrication of crash victims, as well as other rescues from small spaces. These tools include cutters, spreaders and rams.

The Fire Department has researched and tested different extrication tools and is requesting to purchase the Genesis Rescue System from American Rescue Technology. These tools are user-friendly, lightweight, come with a lifetime warranty and 24/7 emergency service program.

It is requested that the extrication tools be purchased from MI Rescue Resources LLC, in the amount of $13,405.50. It is also requested that two Milwaukee M28 28-volt Lithium-Ion Cordless Combo Kits (Model # 0928-23) be purchased from Home Depot in the amount of $1,138 so that personnel can replace the hydraulic lines for the original set of tools and that they can then be used for a backup. The total expenditure is $14,543.50. This amount is less than the $17,000 that was budgeted for this year.

There is only one vendor for this product in the state of Michigan.

Suggested Action:

MOVED BY: **SECONDED BY:**

RESOLVED, to waive the bid process and approve purchase of fire extrication tools from MI Rescue Resources, LLC, whose address is 4298 Farrel Road, Hastings, MI 49058, at a cost of $13,405.50 and approve purchase of two Milwaukee M28 28-volt Lithium-Ion Cordless Combo Kits (Model # 0928-23) at a cost of $1,138 for a total expenditure of $14,543.50.

APPROVED/Denied

Algonac Fire Department

OFFICE OF THE FIRE CHIEF

Memo

To: Denice Gerstenberg, City Manager

From: Joe Doan, Fire Chief

Date: 08/20/2018

Re: Purchase of Fire Rescue Extrication Tools

The Fire Department purchased our first set of hydraulic extrication tools in September of 1993. These tools have served us well over the past 25 years, however due to their age it is becoming somewhat concerning for replacement parts availability if the need was to arise. In a continuous effort to provide the best service possible, the Fire Department has researched and tested different extrication tools in the past and have chosen the Genesis Rescue Systems from American Rescue Technology to best serve our needs. These tools are more user friendly and lightweight which utilize an interchangeable battery for operations, compared to some manufacturers whose batteries are brand specific. These rescue tools come with a lifetime warranty and 24/7 emergency service program. This manufacturer is being utilized by several departments in western Michigan, including the City of Grand Rapids. These tools can be used for more than just motor vehicle accidents, they can be used for rescuing individuals from collapsed buildings, forcible entry during emergencies and these tools are portable as they are battery operated. These tools are also compatible with other battery powered tools from Milwaukee as they utilize the same batteries. Our original set of tools have a truck mounted hydraulic pump which limits their portability.

During this research process we have budgeted monies to purchase extrication equipment. We are seeking approval to waive the bid process as there is only one vendor for the State of Michigan and to purchase the proposed extrication equipment from MI Rescue Resources LLC, our Michigan Genesis Sales Representative for an amount of $13,405.50 and The Home Depot for an amount of $1,138 for a total purchase amount of **$14,543.50**. This purchase will also allow us to replace the hydraulic lines for the original set of tools which will then serve as a backup/secondary set of tools in the event the need was to arise.

These monies are budgeted in line #401-901-000-970-000

Rescue Resources LLC

4298 Farrel Rd • Hastings, MI 49058 •

EMAIL: michigangenesis@gmail.com

To Whom It May Concern:

The Following are some highlights of the Genesis Eforce Hydraulic Tools.

• Powered by a "locally available" Milwaukee 28v/5 amp hour (or option of a 28v/ 3 amp hour) lithium ion battery including a display to show battery life. With this battery, the tool has maximum power just about to the end of the battery life. Our battery takes approximately (45) minutes to an hour to charge fully. The battery can be left on charger, if you prefer as it has no memory. Battery chargers can either be single or triple bay.

• We have the Genesis Epak which is also an extended life battery but smaller and lighter weight than the ROBOPAK all while lasting much longer at 28v/ 15ah/335wh.

• The tools can also be powered by a ROBOPAK that is compatible with 28v. • We also have a 110v adaptor for the tools for continuous use. • The case that the "Brushless" motor is enclosed in is sealed rather than vented. • The overall ergonomics have been engineered keeping the end users in mind.

This includes the lighter weight of the tools, the sleekness (less bulky) of the tools, the rocker switch for open and close, and the balance of the tools in the user's hands. And the cutters and combination tools have a moveable and removable handle.

• The blades and tips of the tools are finished using a forging process allowing for a much stronger finished product. The tips are designed with the gripping edges changing direction from tip to end so as the spreaders open the tool will grip extremely well throughout the entire distance of the spread and also have a groove cut in them to allow for placement of a chain if necessary.

• Tools are NFPA compliant • The 14c and 11c combination tools have an option for a mechanical ram attachment. This is a great tool for USAR type applications. • Tools will come with the Genesis Lifetime warranty and 24/7 emergency service along with any necessary training at delivery. • The tools utilize a "brushless" motor allowing for better performance, longer battery life, and little to no maintenance. • The tools have an ingress protection (IP) rating just as a thermal imaging

camera would. Due to our "sealed" case rather than vented, the outcome of this rating test exceeded our expectations keeping dust and water out of the unit.

Meeting: 9.4.18

Agenda Statement

Item Title To approve purchase of winter 2018-2019 road salt in the amount of $14,667.50

Submitted By Joe Vernier, DPW Foreman

Summary
Each year the city purchases a large amount of road salt. For the last several years, we have been purchasing salt through the MiDeal program, which allows Michigan local units of government to use state contracts to buy goods and services. Local governments benefit directly from the reduced cost of goods and services and indirectly by eliminating the time needed to process bids. There are over 400 contracts available to MiDeal members. On April 17, 2018 City Council approved participation in the MiDeal buying program.

Detroit Salt Company was awarded the salt bid for MiDeal this year.

Product Ordered	Cost per ton	
Early delivery of 200 tons	$59.92	$11,984.00
Back up order of 50 tons	$53.67	$2,683.50
Total		$14,667.50

Suggested Action:

MOVED BY: **SECONDED BY:**
RESOLVED, to approve purchase of road salt from Detroit Salt Company, whose address is 12841 Sanders St, Detroit, MI 48217 at a cost of $14,667.50.

APPROVED/Denied

Algonac Public Service Dept

Memo

To: Denice Gerstenberg, City Manager

From: Joe Vernier DPW Foreman

Date: 8-27-18

Re: Salt Approval

Denice,

Back in March I had sent a memo over to have council approve us to use the MIDEAL program to order our road salt through. MIDEAL searches for the best price for government and municipalities. Once you agree to their terms you are locked in and cannot withdraw from it. Council did approve us to use the MIDEAL for ordering our salt. Now I would ask council to give the approval of our early delivery of 200 tons of salt for the amount of $59.92 a ton which will start to be delivered in early September. Also at the same time if council could approve our 50 ton of back up salt in the amount of $53.67 a ton. The backup salt will be stored at the salt company until it is needed. These prices per ton were just sent out to all parties that are using the MIDEAL system. Detroit Salt Company was awarded the contract with MIDEAL. They will be the company that is suppling us with salt.

Respectfully,

Joe Vernier, Algonac DPW Foreman

Item No: 10d
Meeting: 9.4.18

Agenda Statement

Item Title To proclaim September 17-23, 2018 Constitution Week

Submitted By Denice A. Gerstenberg, City Manager

Summary
Constitution Week is the commemoration of America's most important document. It is celebrated annually during the week of September 17-23.

This celebration of the Constitution was started by the Daughters of the American Revolution (DAR). In 1955, DAR petitioned Congress to set aside September 17-23 annually to be dedicated for the observance of Constitution Week. The resolution was later adopted by the U.S. Congress and signed into public law on August 2, 1956, by President Dwight D. Eisenhower. This is the 231st Anniversary of the Constitution.

The aims of the Constitution Week celebration are to:

- Emphasize citizens' responsibilities for protecting and defending the Constitution.
- Inform people that the Constitution is the basis for America's great heritage and the foundation for our way of life.
- Encourage the study of the historical events which led to the framing of the Constitution in September 1787.

Constitution Week is a great time to learn more about this important document and celebrate the freedoms it gave us. Local community officials are asked to issue a proclamation supporting Constitution Week.

Suggested Action:

MOVED BY: **SECONDED BY:**
RESOLVED, to proclaim September 17-23, 2018 Constitution Week and direct the Mayor to sign the Proclamation on behalf of the city.

APPROVED/Denied

City of Algonac Proclaims Constitution Week 2018

Whereas, September 17, 2018 marks the two hundred and thirty first anniversary of the drafting of the Constitution of the United States of America by the Constitutional Convention; and

Whereas, it is fitting and proper to officially recognize this magnificent document and the anniversary of its creation; and

Whereas, it is fitting and proper to officially recognize the patriotic celebrations which will commemorate the occasion; and

Whereas, public law 915 guarantees the issuing of a proclamation each year by the President of the United States of America designating September 17 through 23 as constitution week;

NOW, THEREFORE, I, Eileen Tesch, Mayor of the city of Algonac do hereby proclaim September 17 through 23, 2018 to be

CONSTITUTION WEEK

in Michigan, and ask our citizens to reaffirm the ideals the Framers of the Constitution had in 1787.

IN WITNESS WHEREOF, I have hereunto set my hand and caused to be affixed the Great Seal of the city of Algonac on this fourth day of September in the year of our Lord two thousand eighteen.
