Council Comment

Blair

I'm very happy with our financial standing. Considering our more than 30% rental home status, we're doing pretty good. Welcome chief to full-time. I'm glad we can have a productive discussion without any craziness. The city is coming together and I'm very thankful to be a part of it.

Gillis

I concur with Mr. Blair. I'm so pleased to be a part of what we're doing here now. We look back on our urban renewal as the time that set the course for the future. I think people will look back at this time in 30-40 years as the time that defined the future.

Bembas

We have a good recognition program now. Can we look at a little something to go with it? A little award of some kind.

Adjournment

Motion by Blair; supported by Gillis to adjourn the meeting at 7:25 p.m.
Motion carried.
