BEACH TRASH COLLECTION PROVIDER BID

TOWN OF DEWEY BEACH

ReBeach Surf Raking agrees to terms 1-18 outlined in the proposed Beach Trash Collection contract; and agrees to work in concert with the Town Manager and Dewey Beach lifeguard captain to meet the goals and expectations of the proposed contract. The only condition for which ReBeach believes should be expanded on is in regards to frequency of trash collection and inspection, as experience has shown during peak season a need for 7 days a week service. This schedule will be most likely be desirable from the last week of June to the first week of August. This has been factored into ReBeach's bid.

For compensation for the terms laid forth, ReBeach proposes:

A weekly rate of \$1,650 to be paid by the Town of Dewey to ReBeach Surf Raking; for 15 weeks between Memorial Day weekend to Labor Day, for a season total of \$24,750.

ReBeach Surf Raking thanks the Town of Dewey for thier consideration, and looks forward to servicing our local beach communities for 2023.
