April 2017

TO: Dewey Beach Property Owner

As we believe you are aware, the town has been working on our trash initiative for some time.

Some of the town's objectives were to:

1. Decrease the number of trucks driving the streets
2. Weekly recycling
3. To restrict trash, trash can enclosures and dumpsters , etc. on the Public Right of Way
4. Offer competitive pricing to our citizens

We believe that our new trash and recycling initiative accomplishes the above.

We all have a role in achieving a cleaner town.

Last year and again this year we informed our community that dumpsters and any trash can and trash can enclosure may not be placed or positioned on the town right of way other than the hours of 12:00pm Sunday through 8:00p.m. Monday, and 5:00p.m. Thursday through 8:00p.m. Friday. This was to be in effect as of Jan 1, 2017 and for your convenience amended to May 1 2017.

Please be advised that if you have a dumpster, trash can enclosure, or simply leave your cans on the public right of way outside of the permitted hours you will be subject to being ticketed.

We are asking our Town Manager to issue citations for any commercial and/or residential properties that have trash cans, trash can enclosures, or dumpsters that are on the public right of way other than those permitted hours.

Please call **(302)227-1640** with any questions or concerns

Thank You,

Mayor Dale H. Cooke and Town Commissioners
