105 RODNEY AVE DEWEY BEACH, DE 19971

**PROPOSAL**  
**GFCI REPLACEMENT PROJECT**

**SCOPE:** Apple Electric will provide material and labor to remove the existing christmas use outlets off the side of each of the poles and install a new box, WR GFCI device and heavy duty metal locking in-use bubble cover. Once the new device is installed Apple will energize and test. PLEASE be advised this is a per outlet install price as we are not clear how many are needed to be done. These GFCI devices may cause nuisance tripping with Christmas lighting plugged in.

**PER DEVICE CONTRACT PRICE Qty 1 EA @ \$195.00**

**\$195.00**
