

Cindy Souza Bio

*Owner at 113 West St for 37 years, full time/permanent home for past 5 years

* Full time Realtor with Long & Foster in MD and DC for 27years, affiliated with Bethany office for 5 years. Have consistently been in the top3% of agents nationwide, and Top 100 agents of LNF (out of 9000 agents in company)

* Real estate experience includes resale homes of all types (detached, townhome, multi-unit), more than half of my business is in land & development, new construction (just sold 31 new homes in Bay Forest at Bethany Beach). Working with builders to help in design for the specific marketplace as well as working with consumers to design and build their own homes.

*Mother to 2 sons (both live in DC metro area) as well as 2 grandchildren

*Passionate about music, good food and travel

*Desire to incorporate smart building ideas so as to protect and minimize the effects on our ecosystems of our immediate beach and bay areas. Look at rational ideas to allow for rebuilding of homes but protect 'our way of life'.
