Commented [CD58]:

change brings DB in line with other towns. Note that change would not apply tax to hotels etc. because they are excluded from definition of Accommodations in Code.

Assume that the application of the Town accommodations tax to properties already assessed a public accommodations lodging tax is simply to bring Dewey Beach in line with the other coastal Towns. Otherwise, we probably need to discuss the reasoning behind making such a decision.

Notwithstanding any provision in this Section or in this Act to the contrary, the Town Council shall have no power or authority to impose or require any fee, tax, license or permit regarding use of the beaches by persons for individual recreational purposes.

The recourse should provide for due process and might be something like: the property owner(s) shall have XX days following notification by the Town Manger of such delinquency to pay or file an appeal in the appropriate court and if at the end of the XX day period or XX days after a final court ruling in favor of the Town the charges due the Town are not paid the Town Manager is authorized to place a lien on any or all real property of the delinquent property owner(s).

4) Define the situation where the fees, etc are levied against an individual or corporation which doesn't own property in town or the fee, fine, etc is not related to an owner's real property, e.g., a fine for jay walking or a parking violation. The recourse for failure to pay also needs to be defined.

In the collection of license fees, charges growing out of abatement of nuisances, or other charges due the Town and authorized to be levied and charged against the owner or owners of property within the Town, the collection thereof shall be under the supervision of the Town Manager. Section 25 Removal of Obstruction, Nuisances, and Unsanitary Conditions.

Delete existing section in its entirety and replace with proper legal language that addresses the Removal or Abatement of Obstructions, etc along the following lines:

Recommended flow:

1. The Town Council has the authority to establish regulations regarding obstructions, nuisances, and unsanitary conditions, as those terms may be defined by the Town and to impose fines and penalties for the removal and/or abatement of such obstructions, nuisances, and unsanitary conditions.

Commented [DSK61]:

CRC recommends complete rewrite – limit what is in charter to what needs to be there and include the bulk of the process back and forth in the town code

From legal review: Include the specifics in the code which may be amended by the commissioners from time to time, rather than in the charter. Language of Section 25 is antiquated and could be revised without changing the original intent. Are there objections to the process outlined in the current section? Suggest that legal draft language along lines recommended by Committee and note where Committee recommendations suggest too much detail.

2. The Town Manager is responsible for action taken against identified obstructions, nuisances & unsanitary conditions that are in violation of town ordinances or resolutions or that are contrary to health, welfare & safety of the town and its people/visitors.

3. Define process for notification of property owner(s) in the case of violation of ordinance or resolution.

4. Define process where obstruction, nuisance and/or unsanitary condition is potentially harmful to the public HS&W but not addressed in an existing ordinance or resolution (i.e., Town Manager files a report and requests the Town Council to review the situation and pass an appropriate ordinance or resolution.

5. With an appropriate ordinance/resolution in place, define the process that includes due process considerations for the removal or abatement process of such an obstruction, nuisance and/or unsanitary condition

6. Define the removal/abatement process at the end of an appropriate waiting period if no legal recourse is sought and/or a favorable final court ruling. This should include the authority of the Town Manager or designees (town employees or contractors) to enter the property, move vehicles/implements onto the property, and remove or abate the obstruction, nuisance or unsanitary condition.

7. The Town Manager then needs to have the authority to charge the property owner(s) for said removal/abatement. (the process should already be defined in Section 24)

(a)

~~In addition to the power to impose fines and penalties for the maintenance of obstructions, nuisances, and unsanitary conditions, as those terms may be defined by the Commissioners, if the Commissioners either upon their own inspection or upon information obtained from the Town Manager or Police Force, shall deem that such obstruction, nuisances, or unsanitary condition ought to be removed or abated as the case may be, the Commissioners shall enact an ordinance or adopt a resolution or both, to that effect and thereupon shall direct the Town Manager to forward, to the person or persons continuing or causing such obstruction, nuisances, or unsanitary condition, or to the person or persons who are responsible for its existence or continuance, by the mails of the United States, in a sealed wrapper addressed to his or their last and best known post office address, a notice to remove or abate the same as soon as may be possible. If such person or persons refuse or neglect, for the space of five (5) days after such notice is mailed, to remove or abate the same, the Commissioners may have a warrant issued in the name of the Commissioners of Dewey Beach. Commented [DSK62]: (CRC had a lot of discussion regarding the use of an ordinance (a law with a 30 day waiting period before becoming effective) and/or resolution (wish or policy; no waiting period) here. ~~(c)~~

~~At such meeting, the Commissioners shall determine, from the return of the Town Manager, the costs and expenses of all necessary work, labor, and proceedings in reference to the abatement or removal of such obstruction, nuisance or unsanitary condition. The Commissioners shall issue or have issued a warrant, containing an itemized account of that information, together with the name and last and best known address of the person from whom the Commissioners shall determine the amount to be due and shall deliver such warrant to the Town Manager. The warrant shall command him forthwith to collect the amount stated to be due thereon from the person or persons designated therein. The Town Manager shall forward to such person or persons, in a sealed wrapper, a true and correct copy of the warrant by depositing the same in the United States mails and addressed to such person's or persons' last and best known post office address. Laws, c. 45, 6/25/1993)**

4.

(d)

(e)

In all other instances the power to borrow money and to secure the payment thereof by the issuance of bonds or other kinds or forms of certificate or certificates of indebtedness for any other purpose or purposes above specified shall be only exercised in the following manner.
