

Jim and Dale have requested to have the above attachment added to the announcements – 5G Pole Placement.

As an explanation:

1. Verizon is to use / place poles where the green dots are located on the attachment.
2. Verizon wants to use the Life Saving Station flag pole to mount their 5G equipment. The blue dot on Dagsworthy.
3. Each of the squares are locations for poles to be placed by a third party company, SQF, LLC. At this time, no cell company is slated to use the pole.  
The squares located on Chesapeake & Carolina are requested sites. The requested sites are on Town Property.
