Initial each box after reading and ensuring you are in compliance with each of the following:

AS	Application/Request is being made to Town Hall/Town Manager's office at least 90 days in advance of the proposed event.
AS	Application/Request includes a full description of the event, dates, times, floor plan of premise with drawings of area to be extended (and/or tent location, not to exceed 2000 sq. ft. service area). It also describes any plans for outdoor music or speakers and includes a complete description of any promotional signs, banners, or other displays.
AS	All maintenance, trash removal, and adequate bathroom facilities for the event are being provided by the applicant (bathroom recommendations would be 10 portable toilets for 2000 sq. ft. area).
AS	There will be a fee of up to \$500 for each day of the proposed expansion of premise. This fee is due upon application.
AS	Expansion area must be secured for customers by either tent sidewalls, or temporary fencing (ABCC regulation).
AS	If approved, the following permits must be displayed on premise, 48 hours prior to start date of the event: Town of Dewey Beach Tent Permit (if applicable), Fire Marshal Permit (if applicable), ABCC License of Extension Certificate (if applicable).
AS	No use of expansion will be permitted beyond 3 consecutive days (72 hours). Expansion is allowed onto private property, parking lot, or yard area, not public street or right of way.
AS	Extension cannot be before 9:00am or after 8:00pm during summer season (May 15 – Sept 15). Times are to be approved by commissioners for off-season events (Sept 16 – May 14).
AS	If tent is used, tent may be erected up to 48 hours prior to the event, and must be removed within 24 hours after the event, unless permission is otherwise granted by Town Manager beforehand.
AS	Portable toilets will be covered by separate tented area as to avoid eyesore to neighbors.
AS	Extra trash receptacles must be placed in tented area, and around perimeter of establishment. Other trash receptacles placed throughout town may be required based on the size, scope and duration of event.
AS	Establishments may be permitted upon approval by the Town Commissioners one extension request per summer season and two off-season requests up to a maximum of three per year. Off-season events may require different stipulations as in regards to security, trash, permits, and bathrooms, as determined by the Town Manager.

I have read and agree to all of the requirements, and have supplied the Town of Dewey Beach with all event and temporary expansion request details. I understand a Public Hearing will be held before the Commissioners of the Town of Dewey Beach and my attendance at the Hearing is greatly encouraged.

Commissioners,

Kate Banaszak has reached out for further explanation about the extension of premise application we submitted for Labor Day weekend. Here is the schedule we have planned.

Saturday

11AM-5PM

Cornhole Tournament

This will be a 10 to 20 team Cornhole Tournament on the volleyball court to raise money for Attack Addiction. Entrants will pay an entry fee which will be donated to the charity, as well as any corporate sponsorship dollars. We will also have a team collecting donations during the event.

Sunday

Noon-6PM

End of summer Barbeque Party

We will be having a barbeque for attendees and accepting donation to further raise money. We will also be donating a portion of the proceeds to charity. This event will take place on the volleyball court as well. We will have a DJ on a small stage with speakers facing towards the water and away from any residential dwellings.

If you have any other questions please don't hesitate to ask.

Sincerely,

John Snow
