

Glenn Rineer, Infrastructure Committee

I retired in the fall of 2020 after a 35 year career as an Airline Pilot . Prior to my professional Aviation career, I worked in construction for several years and I'm the son of a carpenter / site foreman. I bought our property on Read Ave back in the winter of 1996 and we moved to Dewey Beach full time in the fall of 2019 . As a resident of Read Avenue, I am no stranger to the town's flood management issues.
