

Proposed Change in Name of Climate Change Committee

Members of the Committee believe that the current name for the Committee does not reflect its focus and objectives. The Committee has unanimously recommended that the name be changed to a more appropriate descriptor.

Two names were recommended for consideration. In order of preference, the names are:

- Resiliency and Sustainability Committee
- Coastal Resilience Committee

RESOLUTION NO _____

A RESOLUTION TO CHANGE THE NAME OF THE DEWEY BEACH CLIMATE CHANGE COMMITTEE

WHEREAS, the Dewey Beach Climate Change Committee was formed in 2022 with the goal of developing plans and recommendations to the Town Council for a responsible strategy and resilience to rising sea levels and protect Dewey Beach in the face of climate change; and

WHEREAS, members of the Committee believe that the current name of the Committee does not accurately reflect its current focus and objectives; and

WHEREAS, the Committee has unanimously recommended that its name be changed to a more appropriate descriptor that better represents its mission and scope of work; and

WHEREAS, the Town recognizes the importance of ensuring that Committee names clearly communicate their purpose to the public.

NOW THEREFORE, BE IT RESOLVED by the Mayor and Town Council that the Town of Dewey Beach hereby approves the renaming of the Climate Change Committee to [PENDING].

Approved by majority vote of the Dewey Beach Town Council on [ENTER DATE].

Mayor, William Stevens

Town Manager, Bill Zolper
