

Susan Macey

I have been a homeowner in Dewey since Feb. 2021. I am currently on the board for the civic league.

I live in Falls Church Virginia along with my husband and two white Labrador retrievers (who absolutely love Dewey Beach!)

We have 4 kids (all grown) and 3 grandchildren who have loved coming to Dewey for family vacations and of course senior week. a long time ago.

I am the director of a mental health clinic in Falls Church. In my free time I love outdoor activities such as biking, hiking, rowing, and paddling. My greatest strength is that I like to organize activities and events. When the kids were little I organized and ran the most profitable fundraising event for the elementary school for three years running. I feel I can be a good contributor and helper for Patrice as she leads this committee.

During the off season we are in Dewey 1 - 2 weeks a month and in season at least 1 week a month. Both my husband and I are looking to be more apart of the Dewey community as we decide weather to make it our permanent home in the near future.
