

The Town of Dewey Beach is seeking community partners and sponsors to help bring our new Town Hall building to life. This modern, functional space will serve as the heart of town operations, community engagement, and public safety coordination. Sponsorship opportunities offer businesses and individuals the chance to support a lasting civic landmark while gaining recognition for their contribution to the future of Dewey Beach. Together, we can create a facility that reflects the pride, spirit, and needs of our vibrant community.

us*

*a tribute  
to you*

To honor and recognize our sponsors, a donor wall will be professionally designed and created for the Town administrative lobby. This is a high traffic area where your name will be proudly displayed for all to see. Our beautiful donor wall design will incorporate historical photos of Dewey Beach, important milestones and interesting facts about our Town, while embodying the vibrant energy and culture of Dewey Beach. We look forward to adding your family or organization's name to this important piece of Dewey Beach history!

# *The Project*

The new Dewey Beach Town Hall will be more than just a home for local government. It will also serve as a modern Public Safety Building, bringing essential services together under one roof. In addition to housing Town offices, the facility will provide dedicated space for the Dewey Beach Police Department, Parking Authority, Alderman Court, and Sussex County EMS. This centralized hub will strengthen community safety, improve efficiency, and provide residents and visitors with a welcoming and functional space that reflects Dewey Beach's commitment to progress and public service.

The new Dewey Beach Town Hall and Public Safety Building, located at 1505 Coastal Highway, will feature a wide walking path along the south side of the building. This inviting pathway will not only provide easy access for the public from the parking area on Rodney Avenue, but also serve as the permanent home for the engraved bricks purchased through our fundraiser. Each brick will become part of this lasting walkway, creating a meaningful place where community pride and personal stories are built right into the foundation of our town's future.

## *Scan To Order*

## *Pricing*

Each 4" x 8" brick allows for 3 lines of text, with 20 characters per line including spaces. The sample below shows the font for the bricks. Each brick is priced at \$300. Orders may be placed by credit card online, or by check or cash at the Dewey Beach Town Hall.
