

John Gephart Bio.

A 60-year-old retired lawyer/business consultant residing in Baltimore, who has enjoyed visiting my family's Dewey Beach cottage (1 Dickinson Ave.) my entire life. Now that I have time available to do so, I wish to serve Dewey Beach by becoming a Town committee member.

By way of background, I obtained my BA (American Studies major) from Yale, my JD (focused on trial advocacy) from Virginia and my MBA (dedicated to consulting, particularly strategic planning) from Johns Hopkins. I have served in all three branches of the federal government as a Staff Assistant to Senator Frank H. Murkowski (R-AK), Law Clerk to US District Judge Joseph H. Young (D. MD) and Assistant US Attorney for the District of Maryland. I also have advised corporations, from startups to Fortune 500 firms, as an associate for the international law firm, Morgan, Lewis & Bockius, as well as a consultant for two small, Baltimore firms, Nobska Group and Source One Business Services. Lastly, I have advised nonprofits as Board Chair for the Community Law Center, Vestryman and Rector Search Committee member for the Church of the Redeemer - Baltimore, Maryland Alumni Representative to the Yale Alumni Association and President of the Springhouse Condominium Board.
