RE: tax map parcel no. 334-20.18-74.00
 Richardson Property

Dear Ms. Hinks,

Our law firm represents the K. Ann Richardson Trust and Howard C. Richardson who are the owners of 100 Buena Street, Dewey Beach, DE. There is an existing small structure located on that site. During the Richardson period of ownership and its predecessors in title, the building has always been used as a residence. The building has now reached a point where it needs to be replaced. In that regard, the Richardson family is requesting permission to build a residence on the property even though it is zoned commercial. They have engaged Turnstone Builders to design a house that will meet their needs. They have submitted the plans to the town of Dewey Beach and are hereby requesting a variance to construct the residential house on this commercial site. I believe these plans are now in your office.

The above factors in mind, we are requesting that you set a hearing with the Board of Adjustment in order for the Richardson Family to proceed with the construction of their residence if you have any questions regarding this matter feel free to contact me at your convenience. Thank you for your help and guidance as always.

Sincerely,

Harold E. Dukes, Jr., Esquire
