## Tree Watertown Annual Fall Tree Planting

**Saturday, October 30, 2021  
9:00 a.m.**

**Volunteer Meeting Location: Bicentennial Park  
located next to the Watertown municipal arena at  
the Jefferson County Fairgrounds**

With your help we will plant 50 trees in various locations throughout the Jefferson County Fairgrounds including Bicentennial Park, Fairgrounds Trail, and other priority areas!

Dress to get dirty and bring a shovel if you have one.

This community planting project will take place in partnership with the City of Watertown and Tree Watertown. Tree Watertown serves as the City's street tree advisory board.

*Our mission is to educate the community of Watertown in understanding trees as less of a threat to property and safety and more of a long-term benefit through Education, Planting and Maintenance; and to serve as a resource to the community by providing the professional skills needed by other groups interested in re-TREE-ing Watertown.*
