CITY OF WATERTOWN, NEW YORK
PLANNING AND COMMUNITY DEVELOPMENT DEPARTMENT
245 WASHINGTON STREET, ROOM 305, WATERTOWN, NY 13601
PHONE: 315-785-7741 – FAX: 315-782-9014

TO: Planning Commission Members

FROM: Michael A. Lumbis, Planning and Community Development Director

PRIMARY REVIEWER: Joseph Albinus, Planner

SUBJECT: Zoning Designation – VL-3 Waterman Drive

DATE: July 2, 2026

Request: To designate the zoning classification of a **VL-3 Waterman Drive**, Parcel Number 9-43-114.000 as Industrial

Applicant: City of Watertown

Property Owner: County of Jefferson

SEQRA: Unlisted

County Review: Yes

Overview: VL-3 Waterman Drive, Parcel Number 9-43-114.000 is currently unzoned. The parcel was formerly a street, specifically, the eastern terminus of Waterman Drive. Jefferson County approached the City about acquiring the eastern portion of the street (approximately 800') so that it could be incorporated into their main campus located at 753 Waterman Drive. The City Council discontinued a portion of Waterman Drive on October 6, 2025 and it was officially conveyed to Jefferson County on February 17, 2026.

The tax assessment map was recently updated to reflect this change and create the new parcel. As a street, the parcel did not have a zoning designation. The Zoning Map therefore needs to be updated and a zoning district needs to be designated for the parcel. The parcels surrounding VL-3 Waterman Drive are all zoned Industrial.

Zoning and Comprehensive Plan: The City's adopted Comprehensive Plan recommends the future land use for this area as Light Industry. Given the Future Land Use Plan and the existing surrounding zoning, Planning Staff recommends zoning the newly created parcel Industrial.

Section §20(25) of New York State General City Law, which empowers Cities to enact zoning laws, requires such regulations to be "in accord with a well-considered plan." The Planning Commission must consider whether the proposal is consistent with the Comprehensive Plan when it makes its recommendation to the City Council.

SEQR: Staff has completed a State Environmental Quality Review (SEQR) Short Environmental Assessment Form (EAF) as part of the application for the zoning designation. The City Council, as the lead agency, will complete Part 2 of the EAF.

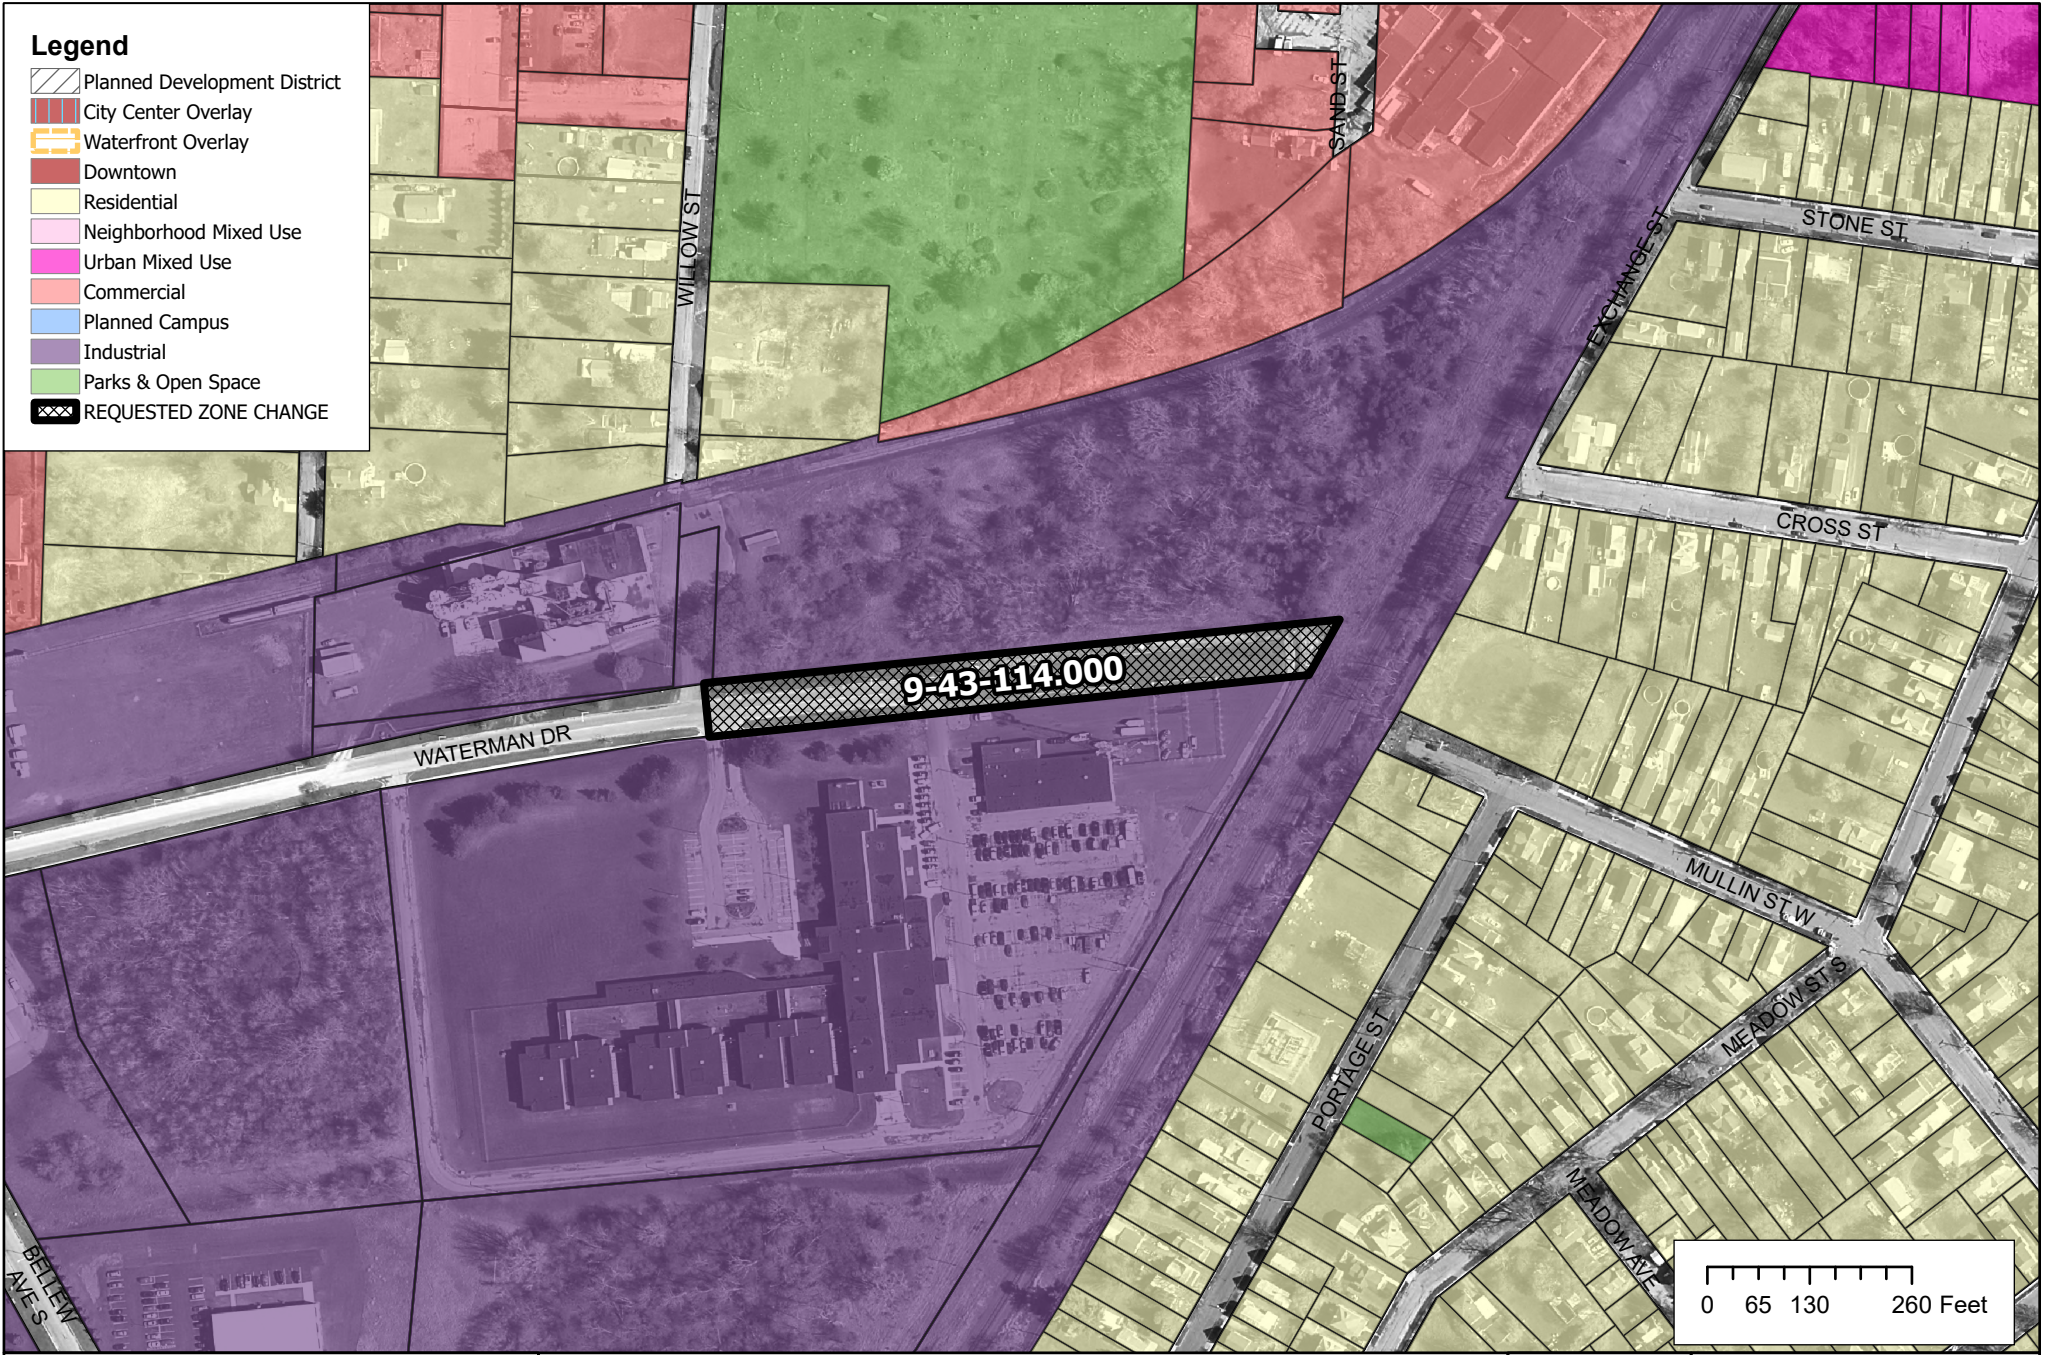

Jefferson County Review: The proposed Zoning Amendment requires referral to the Jefferson County Planning Board pursuant to Section 239-m of New York State General Municipal Law. Staff will refer this amendment to the County for consideration at its July 28, 2026, meeting.

Action: As amending the Zoning Map is a legislative act, the City Council retains sole authority to adopt amendments. The Planning Commission's role is to make a recommendation to the City Council before the Council acts on the recommended zoning designation.

cc: Thomas Compo, P.E., City Engineer
