

MEMORANDUM

TO: Cape Elizabeth Planning Board
FROM: Conservation Committee
DATE: October 20, 2020
SUBJECT: 498 Spurwink Ave Resource Protection Permit

At the October 13, 2020 meeting, the Conservation Committee reviewed the plan for bridges and boardwalks at 498 Spurwink Ave. The Conservation Committee generally agreed that the proposal was in line with the type of greenbelt improvements done by the committee.

By a vote of 7-0, the Conservation Committee recommends approval of the Resource Protection Permit.
