

MEMORANDUM

TO: Cape Elizabeth Planning Board
FROM: Conservation Committee
DATE: November 12, 2020
SUBJECT: Magnolia Terrace Resource Protection Permit

At the November 10, 2020 meeting, the Conservation Committee reviewed plans for the construction of a private road called Magnolia Terrace, which will include filling 3,550 sq. ft. of RP2 wetland. In accordance with Sec. 19-8-3, Resource Protection Permit regulations, the Conservation Committee voted 5-0 to recommend to the Planning Board that the RP permit is complete.
