

MEMORANDUM

TO: Cape Elizabeth Town Council
FROM: Ordinance Committee
DATE: October 7, 2020
SUBJECT: Town Farm Parking Amendment

Introduction

At the September 14, 2020 meeting, the Town Council referred to the Ordinance Committee review of a proposed amendment to the Zoning Ordinance to make parking a permitted use in the Town Farm District.

Review

The Ordinance Committee reviewed a draft amendment at the October 5, 2020 Ordinance Committee meeting. The committee confirmed that the Cape Elizabeth Land Trust (CELT) holds a 50 year conservation easement on the Town Farm and they had been notified of the amendment discussion, and had no objection to the change. The committee noted that outstanding issues such as appropriate location of parking in relation to greenbelt trails and ADA access would be addressed at a later date.

Recommendation

By a vote of 2-0, the committee approved the following recommendation:

That we recommend that parking be an approved use for the property in a manner consistent with its current status and use.
