Why did you choose the boards(s) or committee (s) listed above?

Mr. Swett suggested I apply when he heard I had heard property tax appeals for the State of New Hampshire

What talents/skills do you feel you would bring to this position?

As chairman of the New Hampshire Board of Tax and Land Appeals I heard hundreds of property tax appeals and eminent domain cases, so am familiar with the various ways real property is evaluated. Our findings of fact were final and the appeal of our decisions was directly to the N.H. Supreme Court.

What municipal boards, volunteer organizations or community service groups have you worked with in the past and for what length of time?

1st alumna ^{or} representative of Board of Overseers for Franklin Pierce Law Center (now University of New Hampshire Law School) : 1980? - 1990
Board member of Popham Beach Improvement Association : 1990's
Librarian for Popham Beach Library : early 2000's

Why did you choose the board(s) or committee(s) listed above?: By way of background, my wife and I (along with our 3.5-year-old son and 5-month-old daughter) moved to Cape from Boston this summer. We've been coming to Cape for several years over holidays and weekends to visit my in-laws and are excited to join them to make this our permanent home. We've always loved Fort Williams (our son, in particular, loves visiting and spending time in the Children's Garden). This committee caught my eye; I'd love to volunteer my time.

What talents/skills do you feel you would bring to this position?: Professionally, I spent 15 years working for the Boston Red Sox where I managed Fenway Park's food and beverage operation, supervised day of game staff, and led special events. I managed a multi-million dollar P&L for Fenway's concession business. For the last year, I've led strategy & development, growth, and enterprise sales for an early stage start up, Noble (we're a digital ordering platform for the on-site industry). I'd carry the experiences and skills in operations, strategy, and management from my career in sports, entertainment, and tech. I have a keen interest in Fort Williams, its preservation, operations, and development. Not to mention, that I enjoy visiting often! <https://www.linkedin.com/in/jon-dienstag-1964a05/>

What municipal boards, volunteer organizations or community service groups have you worked with in the past and for what length of time?:

While with the Red Sox, I supported the efforts of the Red Sox Foundation as a participant and volunteer with a number of races and activities (i.e. Pan Mass Challenge, Run to Home Base, and other special events at Fenway Park). Ongoing participation over 15 years. I was also a six-year board member and committee leader for the Harvard Alumni Association (where I received my undergrad degree). I was a two-year member of a leadership board for a Boston-area charter school organization (Phoenix Charter School network).

Why did you choose the I moved to Cape Elizabeth one year ago and am eager to serve my new community. As a lover of all things outdoors, I am particularly interested in working to preserve outdoor

board(s) or committee(s) listed above?:

spaces and be involved in efforts that help to heal our planet. Both the recycling committee and Fort Williams Park committee fit my interests. I am an avid and enthusiastic home recycler and believe it is an important (and easy!) step to reduce the burden on our planet and move the dial on climate change. During my short time as a Cape Elizabeth resident, I have been fortunate to spend a lot of time in Fort Williams Park and WHAT A TREASURE it is for Cape residents and visitors. It would be an honor to be part of a committee ensuring that the public's access to the park is safe, accessible, educational, and is available for generations to enjoy.

What talents/skills do you feel you would bring to this position?:

For ten years, I worked as a professional fundraiser for human service organizations and worked closely with volunteer board of directors and various committees to raise money to fund the organization's mission. To meet fundraising goals, I had to raise community awareness about the organization's work and create a compelling call to action for support. I also had responsibility for my department's budget and preparing financial/fundraising reports for board review. My work as a fundraiser honed my communication and organizational skills; it also required me to collaborate with others, analyze results, implement data-driven changes, and be accountable to stakeholders - all skills that will make me a responsible and effective committee member. Two years ago, I changed careers and began working as a school counselor. Among other things, this profession takes advantage of my interpersonal skills and ability to manage competing demands.

What municipal boards, volunteer organizations or community service groups have you worked with in the past and for what length of time?:

In Baltimore, MD, where I last lived, I volunteered for a year with Reading Partners, a literacy tutoring organization. I volunteered as the annual fund roundtable facilitator for AFP (Association of Fundraising Professionals) for two years. I was also the fundraising chair for my neighborhood association for two years (about ten years ago).
