Re: Re-addressing **5 SOUTH STREET** to **7 ASTER LANE** (Planning Board recommendation)

Greetings Mr. Glass,

It is my understanding that a private post and chain have cut off access to your house on 5 South Street; this was a decision of the private road association representing South Street residents.

For life and safety concerns, I am recommending that the address be changed to **7 ASTER LANE**. In the unfortunate case of an emergency and 911 were to be summonsed, the town wants to be able to access the residence and readdressing accomplishes this task.

This readdressing will be filed with the local E911 database, local fire/police/rescue departments as well as the US Post Office.

We're sorry for the inconvenience of this change, but it is in the best interest of you, our new resident.

If you have any questions, please give me a call or email.

Sincerely,
