Beach Bluff well request

3/25/21

Cape Elizabeth Planning Board

I (Peter Weare) am requesting from the planning board permission for a private drilled well, in place of public water. The following reasons.

1- Cost, Public water \$50,000 estimate. ( Part of cost due to newly paved street requirements)

2- Having had drilled wells before ( 15 years) , I prefer a private water source.

Thank you Peter Weare
