REPORTS TO: Superintendent of Schools

SUPERVISES:

- In collaboration with town Technology Director, supervises and evaluates data facilitator(s), network and systems administrator(s), and technology support specialist(s);
- Supports school administrators on the supervision/evaluation of the technology integrators and computer science and technology teachers.

JOB GOAL: To provide leadership, coordination, and innovation in the development and implementation of a comprehensive K-12 technology education program.

PROFESSIONAL RESPONSIBILITIES:

- **Educational Leadership**
 - Provides vision and leadership for developing and implementing educational technology initiatives, including through serving as a member of the district administrative team;

- Co-chairs the Technology Committee and oversees the development of a long-range technology plan for the use of present and emerging technologies designed to improve the teaching and learning process;
 - Coordinates development and implementation of district computer science and digital technology curriculum and program in partnership with the Director of Teaching and Learning;
 - Provides leadership and serves as a resource for district staff in the area of technology and helps facilitate effective integration of technology in instruction;
 - Evaluates on an annual basis the overall computer science and digital technology educational program of the district and makes resultant recommendations regarding the program to the Superintendent.
- **Communications/Community Relations**
 - Interprets the philosophy of educational technology to staff, students, and the community at large;
 - Reports as requested to the School Board on the status of the technology plan and technology use in the schools;
 - Acts as the district's technology liaison with parent groups and statewide technology organizations and initiatives.
- **Professional Development**
 - Coordinates professional development as it relates to technology in partnership with the Director of Teaching and Learning;
 - Oversees the technology-related onboarding and exiting of staff.
- **Budgeting/Program Funding**
 - Develops and manages the district-wide technology budget;
 - Researches and develops supplemental funding proposals for the district (e.g., grants, E-rate).
- **Administration/Organizational Management**
 - Oversees the school department's website;
 - Coordinates the evaluation, purchase, distribution, and repair of technology equipment and materials in alignment with district goals;
 - Maintains an inventory of technology equipment and materials for the district;
 - Develops and implements procedures to safeguard the integrity and security of all district devices including network security, back-up procedures, and maintenance;
 - Oversees the administration of district network services, serves as liaison with contracted maintenance vendors, and coordinates on-site technicians' work;

- Meets regularly with district technology staff.
- **Performs other duties as assigned by the Superintendent.**

TERMS OF EMPLOYMENT: Year-round position with rate of pay and benefits as established by the School Board.

EVALUATION: Performance of this job will be evaluated annually by the Superintendent in accordance with the district's policy on evaluation.
