SEC. 19-8-14. SHORT TERM RENTAL STANDARDS

(Effective December 14, 2012)

A. Purpose

1
2 Cape Elizabeth residents prize the peace and quiet of their residential
3 neighborhoods. Some property owners have capitalized on the desirability of
4 their neighborhood by renting out their property, especially during the summer
5 months and holidays. Neighborhood residents are concerned that short term
6 rentals take on the character of a business operating in a residential neighborhood.
7 In order to preserve the character of residential neighborhoods, to minimize the
8 negative impacts of unsupervised tourism activities on adjacent residents, to
9 maintain housing availability for long-term residents and to protect the public
10 safety of visitors and residents, the operation of short term rentals must be
11 constrained. The purpose of this section is to balance the desire of property owners
12 to rent their properties to short term tenants and the desire of residents to preserve
13 the peaceful quiet and enjoyment of their residential neighborhoods.

14
15 **B. Permitted Short Term Rentals Applicability**

16
17 The following types of short term rentals may be allowed after obtaining all
18 required permits. Short term rental types not listed below are prohibited.

19
20 1. **Primary residence hosted.** A short term rental may be operated by a
21 property owner in their primary residence when the property owner is in
22 residence, including overnight, during the tenancy of the short term rental tenants
23 for no more than 90 days per calendar year.

24
25 2. **Primary residence unhosted.** A short term rental may be operated by a
26 property owner in their primary residence when the property owner is not in
27 residence during the tenancy of the short term rental tenants. The property may
28 be used as a short term rental for no more than 30 days per calendar year. [Look
29 at days v. weeks language]

30
31 3. **Seven (7) acres plus short term rental.** A short term rental may be operated
32 by a non-primary residence property owner on their property either in residence
33 or not in residence during the tenancy of the short term rental tenants, where the
34 lot is seven (7) acres or more in size. The property may be used as a short term
35 rental for no more than 30 consecutive days per calendar year, and the 30 days
36 must be a consecutive block. Prior to applying for a Short Term Rental Permit, the
37 property owner shall be required to obtain a conditional use permit from the
38 Zoning Board of Appeals.

39
40 4. **Short Term Rental Adjacent.** A short term rental may be operated by a
41 property owner in a non-primary residence when the short term rental owner's
42 primary residence is located on an abutting lot. (Abutting shall mean any lot that
43 shares a lot line or is located directly across a road right-of-way from the primary
44 residence) The property may be used as a short term rental for no more than 90
45 calendar days per calendar year. Prior to applying for a Short Term Rental Permit,
46 the property owner shall be required to obtain a conditional use permit from the
