Thank you for submitting a proposal. Your paper copy also arrived today.

At this time, the town will be discussing proposals at the **November 17th Ordinance Committee, which begins at 7:00 p.m.** and will be held via zoom. The agenda and meeting link will be posted on the town website about November 10th and I will also try to remember to add you to the circulation list for the meeting materials. You are welcome but not required to attend the meeting.
