

## Library Director's Report

### January 2020

#### **Staffing Changes**

Aside from the Director's position, the staffing changes at the library have been filled. We have hired two individuals from our substitute pool for the open Circulation Assistant and Innovative Programming Librarian position. Matthew Weidemann will be our new Circulation Assistant and Megan Smith will be our new Innovative Programming Librarian. Matthew will start in this role on Monday, February 3, with Megan's starting date to be determined.

Rachel Davis will be the interim director until a new, permanent director is hired. We hope to bring Megan Smith on at the end of January or beginning of February to assist Rachel with youth programming while she is interim director.

#### **Space Changes**

The new shelves will be built for sure before my last day on Jan 24. There may remain some shifting of collections to do after I leave but that will be easy to accomplish. All other space changes are completed at this point.
