## Preble Street Intersection - Existing Conditions

Photograph by Sebago Technics, October 2021

Existing view looking north toward the Preble Street / Shore Road intersection with the Cape Service Center and The Cookie Jar Pastry Shop in the background.

# SHORE ROAD REHABILITATION PROJECT

## Preble Street Intersection - Visualization

**VISUALIZATION of proposed road improvements at the Preble Street intersection looking northwest toward the Cape Service Center and The Cookie Jar Pastry Shop in the background. Improvements include sidewalks on both sides of the road, crosswalks, lighting, landscaping, 5-foot wide bike lanes east of the intersection, and realignment of the intersection. This visualization also includes rapid-flashing beacons (RRFB) at the crosswalk.**
