Hello Mrs. O'Meara, my name is John Gray and I'm currently a life scout in Cape Elizabeth's troop 30. I am on the cusp of advancement and need a service project to continue my progress in this endeavor. Unfortunately, I have found myself in the predicament of planning and completing my project within the next year and a half. I turn 18 in July of 2021 evidently "age out" of scouts. I was wondering if you may possibly know of any work Cape Elizabeth would benefit from which would be both sizeable enough to call an Eagle Scout project but also concise and feasible to complete within this timeline.

Thank you for your time  
- John Gray

John,

The best option is to attend the next Conservation Committee to discuss possible projects. The next meeting will be held on **Tuesday, February 25th at 7:00 p.m.** at the Town Hall, Jordan Conference Room. We should be able to identify a project you can tackle this summer or fall. Hope to see you there.

Maureen
