Scott,

The Town Council has established the Housing Diversity Study Committee to handle next steps on town policy regarding affordable housing. The committee will be staffed by K & J Strategies.

I recommend that you communicate directly with the committee, using HDSC@capeelizabeth.org.

Hi Maureen,

I've attached my "concept" for the lot we've talked about. See what you think.

I'm going to TRY to present it to the Affordable Housing committee next week.

The lot is next to a series of lots which are "sewer connection eligible", and there are several lots within the same RP2 area indicating variances have been granted.

If you have time, let me know what you think,

Scott Clark
