Hello there .

Finally our Esch Spur Rd project is finished. I think we have one more form to file.

At our meeting last night the board discussed the option of deeding the portions of 192nd from 151st to 131st back to the adjacent landowners. What would we have to file to accomplish that? And is it a possibility?

And also an interesting development. I was on my way home today and discovered that someone was bulldozing the surface of 192nd! Liberty township was not notified of this. Would appreciate your thoughts on this as well. Mr. Sevacek seems determined to have his way - no matter what.

I am concerned about liability on Liberty Township's behalf.

Please respond asap.

Thanks

Janene Follmer
