

CRESWELL TOWNSHIP BOARD MEETING MINUTES

The Creswell board meeting was held at 5:00PM on October 3, 2025 at the Creswell Township building with board members Mitzi Samms, Mike Hutchison & Eddie McGowan present. Mike Ledbetter & Kaye Turner attended.

1. We paid bills.
2. We discussed the FEMA meeting that Mike L. & Mike H. attended on September 26th, 2025. It's important to keep a copy of the letter with the UEI number. We have to have it to communicate with the State of Kansas.
3. Regarding calling the sheriff on Jr. Case who lives in Hidden Valley stealing gravel off of the road, we were told he is a taxpayer and not to do anything.
4. Discussed the 91st road south. All 5 residents share in the cost of the removal of the trees that was estimated to cost \$3,900 by Garcia Tree Service. Eddie made a motion based on the suggestion from our attorney not to proceed with any work done by the township. This is private property, and of the possible liability to the township. The road would have to be brought up to county specifications before it could be considered brought into Creswell Township.
5. Mitzi read the minutes from the April 5, 2024 Creswell Township board meeting concerning the road behind Total Petroleum. Two of the landowners, Drew Palmer and William Clevenger came to that meeting. Regarding the Arkansas River property, we discussed 77th south of 302 to be vacated. Eddie made the motion to vacate it and Mitzi seconded it. Mike H. abstained.

The meeting was adjourned.

Michele (Mitzi) Samms, Clerk
