WITNESSETH:

For and in consideration of One Dollar (\$1.00) and other good and valuable consideration, Grantor, the party of the first part, has granted, bargained, sold, and conveyed unto Grantee, the party of the other part, its successors and assigns, the easements herein described for the uses and purposes set forth on and upon the lands of Grantor that are more particularly described and illustrated herein:

TEMPORARY ACCESS EASEMENT

1. Grantor hereby grants to Grantee a temporary access easement ("Temporary Easement") over and across the Recreational Parcel and Open Space Parcel in the area identified as "Proposed 20' Wide Temporary Construction Easement" ("Temporary Easement Area") on the plan entitled "Temporary 20' Construction Easement", prepared by Howell Surveying, dated June 13, 2025 ("Easement Plan"), which, along with a legal description of the Temporary Easement Area, is attached collectively as **Exhibit "A"** hereto.

Oversized vehicles used by the Grantee during construction, being the cement truck, crane and steel delivery truck shall be prohibited from using the Temporary Easement Area.

3. This Temporary Easement shall automatically become void upon the earliest to occur of the completion of the initial construction of the Facility or June 30, 2026.

4. Grantee agrees that the following conditions will apply to Grantee's use of the Temporary Easement Area:

- a. Grantee shall provide written notice to Grantor of Grantee's intent to start construction no less than seven (7) days prior to the start of construction;
- b. At the request of Grantor, Grantee shall hold a preconstruction meeting no less than five (5) days prior to the start of construction;

The Utility Plan, along with a legal description of the Utility Easement Area, is attached collectively as **Exhibit "B"** hereto. Any area disturbed during the installation of the Utilities shall be restored promptly by Grantee to the condition that existed prior to the installation of the utilities. The Utility Easement shall be non-exclusive in that Grantor may use the surface of the Utility Easement Area so long as such use does not interfere with the Grantee's utilities located therein.

2. Unless otherwise agreed by the parties to this Agreement in writing, Grantee shall be responsible for the removal of any utilities upon termination of the Lease and the restoration of the area to the condition that existed prior to the removal of the utilities.

The Crane Area shall be used by Grantee during the initial construction of the Facility and thereafter to conduct maintenance and upgrades to the Facility that require the use of a crane, subject to the following conditions:

- i. Grantee will work in good faith with Grantor to schedule the dates and times when the Grantee will require a crane to occupy the Crane Area;

- ii. No work by Grantee shall be conducted before the hour of 8:00 a.m. or after 6:00 p.m.;
- iii. Any areas disturbed by the crane shall be restored promptly by Grantee as best as reasonably practical to their condition prior to such use;
- iv. Grantee may utilize the Crane Area only so long as reasonably necessary and shall not store a crane or anything else in the Crane Area except when it is actively being used; and
- v. At all times when the Crane Area is not being used by Grantee, it may be used by Grantor for its purposes.

MISCELLANEOUS PROVISIONS

1. Grantee covenants and agrees to indemnify and to hold Grantor harmless from and against any and all claims, actions, causes of action, judgment, costs, expenses, and liabilities of any kind whatsoever incurred in connection with, arising from, or as a result of death, accident, injury, loss, or damage to any person or any property arising out of Grantee's work.

2. Grantee agrees to carry insurance for any of its activities related to the easements granted herein of the same type and in at least the same amount required in the Lease, and shall provide Grantor with proof of such insurance and a certificate naming Grantor as an additional insured prior to the start of construction or other activities on the Recreational Parcel, Open Space Parcel or Maintenance Parcel. Grantee shall cause its general contractor and subcontractors to provide at least the same insurance coverage and certificates of insurance, naming Grantor as an additional insured, that Grantee is required to provide, prior to their entry onto the Recreational Parcel, Open Space Parcel or Maintenance Parcel. The insurance referred to herein shall be comprehensive public liability insurance policies covering all of Grantee's, Grantee's contractors' and their subcontractors' operations, activities, liabilities and obligations on the Recreational Parcel, the Open Space Parcel and the Maintenance Parcel, and shall provide coverage with limits of not less than Two Million Dollars (\$2,000,000) per occurrence and Five Million Dollars (\$5,000,000) in the aggregate. Grantee, its contractors and their subcontractors shall deliver a renewal certificate evidencing that such insurance is in effect within ten (10) business days of Grantor's request to Grantee for such certificate. The insurance policies shall be issued by insurance companies authorized to do business in Pennsylvania with a BEST Rating of no less than "A" and shall provide thirty (30) days prior written notice to Grantor of any cancellation of such policy.

3. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, successors, and assigns, and the terms "Grantor" and "Grantee" as used herein shall include their respective heirs, successors, and assigns.

5. This Agreement shall be construed to be a covenant running with the land binding upon Grantor, Grantee, and their respective heirs, successors, and assigns.

6. This Agreement shall not be modified except by written agreement of the parties.

7. This Agreement shall be construed and interpreted in accordance with the laws of the Commonwealth of Pennsylvania, and all the easement rights and responsibilities shall be exercised in compliance with all applicable laws, ordinances, rules, and regulations.

8. The provisions of this Agreement shall be severable. If any provision is found to be invalid, unenforceable, unconstitutional, and/or void, the remaining provisions of this Agreement shall, nevertheless, remain valid and binding.

9. In the event of the termination of the Lease between the parties, the easements created by this Agreement shall automatically terminate and the parties shall execute and record a termination of this Agreement, and all easements created by this Agreement. Grantee's obligations under this Agreement with respect to restoration of Grantor's Property and Grantee's indemnification obligations under this Agreement and all of Grantee's obligations under the Lease, which survive termination of the Lease, shall survive termination of this Agreement.

IN WITNESS WHEREOF, the parties have executed this Temporary Access, Maintenance and Utility Easement Agreement as of the day and year contained on the first page of this document.
