MESSAGE FROM THE MAYOR It's September! It's the last weeks of summer and first days of fall. School has started with classes and the fall sports programs. The kids are back walking to and from school and we need to be watching more closely as we drive. Pay extra attention if you're on the road when the students are walking to school in the morning (7:30-8:30) and heading home (2:45-3:30), at any age they can be unpredictable. July and August saw two parks opening up at Southside with new playground equipment, and the new Simonds-Heller Park and Boat Ramp. The Village will see street paving on East State Street and North College at the overpass this month. Other streets and alleys are planned but may be hard to get done this year. The Mayor and Fiscal Officer will be working on next years budget for each department and for the projects we hope to complete. Two of those are completing the removal of the Simonds Plant and start the finishing work at the new administrative offices on South College St. Enjoy September!

SIMONDS-HELLER PARK AND RAMP OPENING

Friday, August 27th, marked the opening of Simonds-Heller Park and Ramp. The park showcases various nature trails, and spots to sit and enjoy the scenery. We have big plans for the park, including a dog park and shelters. The Boat Ramp is now open and available for use also! The opening day ceremony went well. Congressman Bill Johnson, Commissioners Al Landis and Chris Abbuhl, and special guest John Heller were among the many in attendance. We thank John Resh, and David Harris for the many hours they have put into making this park. We also thank Shawn Lafferty for working and putting in his extra time to make this park and ramp special. We'd also like to thank the engineers from Quicksall, Nate Quicksall and Matt Miller for making this a reality. The park and ramp are now open, please feel free to come down and take a walk, or have a seat by the river!

LABOR DAY | SEPT 6

We will not be in the office Monday, September 6. The Council Meeting will be held Tuesday, September 7th at 7pm at the Senior Center. The Zoning meeting will be at 7:30 pm right after Council.

CONSTITUTION DAY | SEPT 17

The constitution was signed on September 17, 1787. The oldest to sign the document that day was Benjamin Franklin (81) and the youngest was Jonathan Dayton (26). John Shallus, the clerk for the Pennsylvania General Assembly wrote the constitution on parchment paper and was paid about \$800 in today's currency for his service.

Fall Clean Up Sept 24-25

Dumpsters will be at the Street Department at 210 S. College Street.

Do not dump:

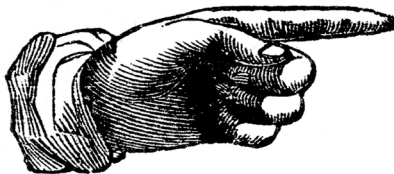

- Tires
- Solvents including paint
- Household garbage
- Any aerosol cans or gas containers

September 22nd is the

First day of Fall!
