MESSAGE FROM THE MAYOR

October is one of the prettiest months of the year. It is also the gateway to cooler weather. In Newcomerstown, it's Homecoming with a parade (Oct 8), the last month of high school football games, jackets and coats and raking leaves. It's putting away all the garden extras until next Spring. As the leaves fall, start looking for the leaf pickup dates for your section of town. The dates are scheduled by how fast or slow the leaves fall from the trees. We hope October is a beautiful month for you and your family.

SAFETY TIPS

Drivers:

- Take extra time to look for kids in intersections and crosswalks
- Take away any distractions that might hinder your ability to be extra alert.
- Exit alleys and driveways slowly.
- Watch out for children in dark clothing.
- If it is dusk, be sure to have your lights on.

Trick or Treaters and Parents:

- Be sure to wear costumes that are an appropriate fit to help prevent against trips and falls.
- If it is dark; bring flashlights or glowsticks.
- Don't eat any treats until they are deemed safe.
- If your child is older, set a time they are expected to be home by, please accompany smaller children.
