DEPARMENT REPORTS:

STREET/PARK: Fuel tanks have been installed at the street department building. Street analysis is scheduled. Waiting on quotes from county for paving Canal, S. Chestnut and two allies. We are patching holes in town. The splash pad is still on schedule. John proposed that the concession stand will be handled by Main Street Coffee this year, it will be an experiment to see how it works and how the residents like it. There will be more variety of food offered than snacks and pizza. We will not have concession stand employees; the employees will be from Main Street Café. Council was ok with the idea but asked if we checked with other food facilities in town to see if any were interested. John said he had talked to a few but will check with more and report back. No action was taken.

Review quote for repairs on Canal Street from Lafferty Contracting (\$10,850). Motion to approve quote made by David and seconded by Allen.
